Care and Maintenance

Recommended Procedures

Dust down with a soft, clean brush only. Water or cleaning agents should not be used.

To reduce the risk of fire, please make sure that notices on the board do not protrude out of the board and are in single layers. Notice boards should not be fitted near, or directly above any gas heaters or other sources of combustion.

Disclaimer: The above cleaning/maintenance recommendations have been derived from years of practical experience and should be regarded as helpful guidelines only.

We offer our noticeboards in a range of different fabrics and finishes: Pitts Polyclour FR, Camira Cara, Camira Lucia, Corded Hessian, Cork, Premier Felt, Galaxy Screen, Sundeala and Forbo Nairn.
