Care and Maintenance

Recommended Procedures

Dust down with a soft, clean brush only. Water or cleaning agents should not be used.

To reduce the risk of fire, please make sure that notices on the board do not protrude out of the board and are in single layers. Notice boards should not be fitted near, or directly above any gas heaters or other sources of combustion.

We offer a range of different fabrics and finishes: Pitts Polyclour FR, Premier Felt, Camira Cara, Camira Lucia, Corded Hessian, Charles Twite, Cork, Galaxy Screen, Sundeala and Forbo Nairn.
