

# Give me a high five!

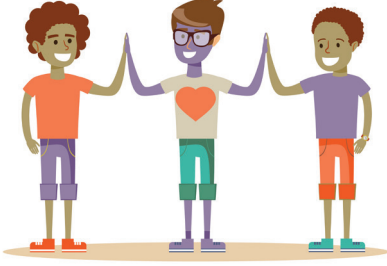

By Nabihah Plaatjes

Illustrated by Nicole Sutton-Pryce

Whenever I go out,  
Everyone likes to shout:

*"Let's see you jump & jive,  
& give me a high five."*

What is this that they want?  
They don't understand  
my little grunt.

Mommy says,  
"Don't worry little one.  
You will like it,  
it is fun."

Look at your  
baby finger,  
**that is one**

Then your finger  
next to it,  
**makes it two**
