

# The Armenians of Aintab

## The Economics of Genocide in an Ottoman Province

“Kurt’s superb reconstruction of how Ottoman Armenians were plundered of their homes and businesses shows that everyone was in on it: from greedy locals to opportunistic regional officials to ruthless central leaders. Sealed in stone as well as blood, their criminal bargain forms the shaky foundations of Turkish society—as such bargains do in many countries.”

—A. Dirk Moses  
*author of The Problems of Genocide*
