

Green Revolution: Armenia's Vision to Fight Global Climate Change

MARCH 18TH | 7:30 PM | NAASR VARTAN GREGORIAN BUILDING
395 CONCORD AVE. BELMONT, MA 02478

Join us for a report by Armenia Tree Project and #ForestSummit19 panelists on the outcomes of "Forest Summit: Global Action and Armenia," which brought local and international experts together for the first time for networking and dialogue about the challenges and opportunities of Armenia's ambitious pledge to double its forest cover by 2050 as part of its commitment to the Paris Agreement on Climate Change.

Panelists:

Dr. Anna Ohanyan, *moderator*

Guy Hydrick, PhD candidate, Clark University *panelist*

Jeanmarie Papelian, ATP Executive Director *panelist*
