Have you ever wondered where your family came from?

Have you thought that all Armenian records were lost during the Genocide?

Have you wanted to create a family tree, but did not know where to begin?

Have you ever watched tv shows about tracing ancestry and wondered if you could do that?

Do you consider the preservation of Armenian source records important?

**Then this workshop is for you.**

Join the discussions led by George Aghjayan, NAASR Board Member, researcher on Armenian demographics and population records in the Ottoman Empire, and co-organizer of the 2016 and 2017 Armenian Genealogy Conferences in Watertown, MA, and Dearborn, MI.

Contact NAASR at 617-489-1610 or [hq@naasr.org](mailto:hq@naasr.org) to register.

Registration (per session or for all four) is required for all attendees.

*Your ancestors are waiting for you!*
