Rooted in Language

Growing Readers & Writers

Fence & Gourds

Fall Manipulatives

Laminate and cut out the attached manipulatives to use as seasonal inspiration. Students can engage in bits and pieces of writing or story-telling using the fence and gourd pieces to write on or to illustrate their efforts. Manipulatives also help promote handwriting, spelling, word study, sentence construction and grammar, list making, and many other activities!

Enjoy,

The Rooted Crew

At Rooted in Language we believe in our products and ideas. Each product is refined through our work with children of varying ages and abilities. However, we recognize that teaching styles differ and that children are individuals with complicated needs. Consequently, Rooted in Language offers no explicit or implied guarantee or warranty for your children's learning outcomes.
