

TRAIL RACER TR3.0 TREADMILL

Aspiration is the source of success. The route to the realization of your goals lies in the proper equipment. In the new XTERRA Fitness Trail Racer 3.0, you'll find everything you need to make your way across the finish line.

This stylish, sturdy treadmill was designed to keep you working out longer by keeping you comfortable. The XTRA Soft Cushioned Deck minimizes impact and thereby reduces the stress on your joints. The remote controls are conveniently located on the handlebars to make adjustments to speed and incline easier. When the workout is through, simply fold it up with the Lift Assist Storage System. It is perfect for any room.

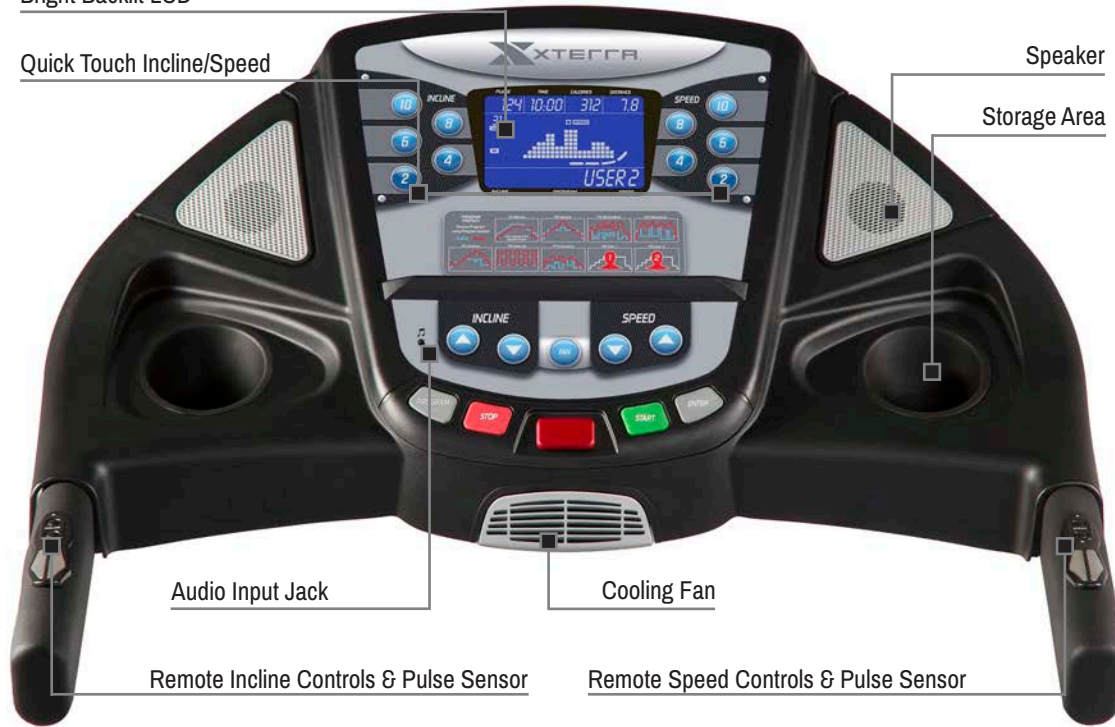

The path to victory takes many twists and turns, and the XTERRA Fitness Trail Racer 3.0 is specially designed so that you'll be fit to tackle whatever may come.
