

UB2.5 UPRIGHT BIKE

Wanting to push yourself towards new fitness goals? The XTERRA Fitness UB2.5 Upright Bike is a great way to challenge yourself from the comfort of your home.

The UB2.5 offers a 10 kg heavy duty flywheel system, a quality 3-piece pedal crank and a reliable poly v-belt that all lead to a smooth, quiet ride. The 24 resistance levels and 24 programs keep you challenged, and the multi-color backlit LCD display conveniently shows all of the pertinent data you need to keep up with your workouts while you listen to your favorite tunes via the audio input and speakers.

Start challenging yourself to greater fitness goals today with your new XTERRA Fitness UB2.5 Upright Bike.
