- Different workouts to challenge all fitness levels
- Smoothest ride of any elliptical in its class
- Best technology integration
- True no-impact total body workout
- Speakers, audio and cooling fan
- Bluetooth speaker
- Bluetooth heart rate monitor

The SOLE E25's fluid natural motion is ensured by a whisper quiet drive system that functions in both forward and reverse motion. The E25 is engineered for an extremely smooth feel, even with increased resistance for when you want a more challenging workout. Oversized foot pedals situated at a 2° inward angle sustain your body's natural position and reduce impact on the joints and muscles.
