Timeline

- Once you've decided you want a made-to-order waistcoat, you'll need to work out the fabric you want. We advise popping in to see us to try on our waistcoats for fit and also to look at the fabrics we have available. If you are unable to visit, please let us know and we can send you a couple of swatches. *Please note that since we operate out of an office that all visits are by appointment only.* *
- Please note that upon confirmation of your made-to-order waistcoat full payment is taken before the order is made.
- Lead time is 28 days after receiving payment; this is variable dependent on specifications.
- Once your order is complete, we will contact you via email to confirm your delivery details.
- Our usual method of postage is Royal Mail 1st class next day recorded this needs to be signed for, so make sure you're in! We'll give you a tracking number so you know where your baby is!

Warning

Discounts

We offer a discount of 5% if you order five or more pieces, and a discount of 10% if you order ten or more pieces.

Measurements

Please note we only make waistcoats to our standard sizes: XS, S, M, L, XL, XXL.

If you wish to have any amendments made to the waistcoats we will need to advise if this is possible with our current pattern and this may be an additional cost.

To determine which size you are please measure around your chest with your arms relaxed by your sides. Please give us your chest circumference. We do also recommend that you try on one of our waistcoats so you know which is the best size for you.
