

Your satisfaction with our products and services is our utmost concern and Danish Design strives to provide a high level of service. By selecting one of our **authorised retailers within Australia and New Zealand** you can be confident of receiving an authentic quality product with the full Danish Design 2 year's limited warranty and the service you expect.

This requires Danish Design to preserve your interests by warning you against **unauthorised dealers** and **internet sales** offering timepieces of dubious origin, second hand product and any risk of fraud, particularly relating to counterfeits.

If making warranty claim include warranty card stamped and dated by an Authorised Retailer as proof of purchase. For warranty claims for online purchases from countries outside of Australia and New Zealand please contact or return to place of purchase.

Band, glass, battery and buckle/clasp are excluded from warranty coverage, as well as any damage caused by abnormal or misuse of watch. For complete details see warranty.

timepiece repair request
