TopCoat® Spritz®:

Sales Information:

TopCoat® Spritz™ is for the person who doesn't have the time but wants the shine!

TopCoat® Spritz™ is a high-performance "Quick Gloss" coating.

TopCoat® designed Quick Gloss Spritz™ to work with all TopCoat® sealers. TopCoat™ Spritz™ is a quick way to maintain and enhance any surface.

Spritz™ is an easy, one-step, hand application that enhances the existing surface. Spritz™ will provide a "quick gloss" shine to glossy surfaces but will not artificially shine non-glossy surfaces, so matte or denim finishes remain flat, yet new looking.

Spritz™ is a quick and easy way to preserve, prolong, protect any surface, inside or out. Quickly restore a surface like new, or apply Spritz between TopCoat® sealer applications or after washes as a renewal. Use TopCoat® Spritz™ on painted surfaces, fiberglass, metal, chrome, glass, plastics, rubber, vinyl, leather, dashboards, and more. Use as windshield, windscreen, and window treatment for lasting water repellency.

Key Features:

- Contains no toxic chemicals or abrasive compounds.
- No need to stir or shake
- Treated surfaces are hydrophobic (water-resistant)
- No orbital or mechanical buffing required
- Prevents the damaging effects of bird droppings, bug splatter, acid rain, brake dust, etc.

Key Benefits:

- Quick one-step hand application
- Treated surfaces are easy to clean and maintain
- Designed to bond with TopCoat® Sealers
- No unsightly wax residue left behind
- Formula maximizes depth of color with minimal effort
- Safe water based formula

The Professional Detailer's Choice

Directions: For best results apply to a clean cool surface. Mist product directly onto ANY surface intended for a quick detail gloss and spread using a clean TopCoat® MycroTowel™ cloth. Buff excess product using the an new TopCoat® MycroTowel™, turning to a dry part of the cloth for the final buff. Do one area at a time, move to the next and repeat the process.

Note: Especially on glass, chrome, and other high gloss surfaces, rebuffer using another clean, dry TopCoat® MycroTowel™ to ensure a streak free shine.

Keep out of reach of children

(Always refer to product SDS and/or TDS sheets for further product and safety information.)

LABEL: 2/1/24:
