

# 6600 Plus

Durable Top Loading Bill Counter

► **Efficient & Reliable:**

Advanced and reliable money counting with blazing speed – up to 1,400 bills per minute and counterfeit detection for an all-in-one cash processing solution!

► **Convenient & Powerful:**

6600 Plus has Valucount®, which uses the selected single denomination to calculate the total monetary value of bills counted. 6600 Plus also offers a convenient printing option for easy record keeping.

► **Helpful cash counting modes:**

Count mode - accumulates totals for each denomination counted, Batch mode - keeps track of multiple counts at once, Add+Batch mode - lets you keep a running total of all denominations counted.

► **2 Models Available:**

UV and UV/MG. Each model offers unique benefits - UV/MG provides advanced counterfeit detection with enhanced UV/MG protection, while the UV model offers the versatility to count multiple currencies, including USD, CAD, and MEX.
