

RUGGED GLAMPING TENT

Presented by
Rugged Group

RUGGED GROUP
enhancing the outdoors

The Rugged Glamping Tent is a revolutionary design that combines convenience, comfort and durability, offering a smart and cost-effective accommodation solution.

It is a complete system, that comes with all the necessary parts for a full assembly.

Canvas Colour:

Grey

**Option for custom colour with minimum order of 40 tents*

Deck Colour:

Teak

Warranty

- Structure: 5 years
- Canvas: 2 years

Quick to install

A simple inflatable system for quick and efficient installation in just 10 minutes.

Durable

Made with quality canvas material and secure tie down straps to withstand all weather conditions.

Comfortable and Spacious

The 2m high ceiling creates a spacious and comfortable interior, offering ample room for a couple or family.

Cost-effective

A large return on investment, with the ability to charge higher rates compared to alternative accommodation.

Design Specifications

Couple Tent

- Size: 2.3m x 2.7m
- Deck: 0.9m x 2.3m

Family Tent

- Size: 2.7m x 4.4m
- Deck: 1.2m x 2.7m

Inclusions

- 420 GSM Ripstop canvas
- 900mm deck (recycled composite decking)
- 50mm adjustable feet
- Free-standing outriggers
- Canvas carry bag
- Guy ropes
- Tent poles
- Hand-pump

Simple Installation

Our simple inflation system is designed to be user-friendly. On average installation takes 10-15 minutes on a level site.

- Our hand pump offers a quick and easy set-up process
- Optionally an electric pump can be provided

We provide an installation manual with step by step instructions for assembly. A video support guide is also available.

Weather and Storm Proof

This tent uses 100% waterproof, heavy duty (ripstop) polyester cotton canvas and features tie-down straps to provide extra stability and protection in high winds and rain-fall.

Tent Interior

The interior is spacious, providing ample comfort for sleeping, offering standing height and accommodating up to a queen size bed. It features a pre-wired power system for 12V phone charging, ensuring convenience.

The full open windows offer a panoramic 270-degree view and effectively sealed with a mesh fabric screen.
