SPECS

- Flow formed A356-T6 alloy
- Tested to SAE J2530
- TUV where noted
- Application optimized fitment and colors
- Scalloped spokes for rigidity
- Targeted weight reduction
- Oversized lug pockets
- Included: black aluminum cap, black lip decals [2]
- Optional: lightweight anodized aluminum caps with corner designation [black, red, blue, silver]
- Optional: lip decals [red, blue]
