

Women in the Wild

August 16-20, 2024

Bob Marshall Wilderness

\$5,500 Per Angler : Fully Guided : All Inclusive, Limited to 6 Guests

Spotted Bear Ranch will once again be hosting a ladies' only Wilderness adventure. Come enjoy 5 days, 4 nights deep in the heart of the Bob Marshall Wilderness. We will fish for native Cutthroat Trout in some of the most pristine waters in the lower 48.

Aug 16th - The trip starts at the Meadow Creek Trailhead on the edge of the Bob Marshall Wilderness. Everyone will be assigned a horse, and we'll take off on the first leg of the journey. After a 4- hour ride upriver we arrive at camp for the night and settle in for a campfire meal and well-earned shut eye.

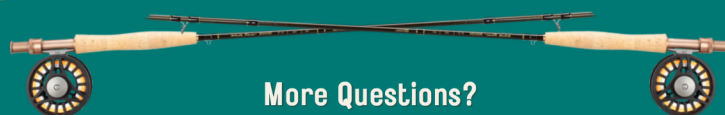

Aug 17th - We venture deeper into the wilderness on horseback. After 5 hours astride we will set camp on the banks of the river near Big Salmon Lake. You will be free to fish, hike, swim or just relax for the afternoon while we pitch the tents and cook up another fantastic campfire meal.

Aug 18th - After two days on horseback our legs will need a rest day. Spend a lazy morning in your sleeping bag or rise early and head out on a hike, fishing foray, or find the perfect swimming hole. The guides will be on standby to help with whatever adventure you have a taste for.

Aug 19th - We rise early and head for the water. You will be on the river all day. We plan on two anglers per raft. Plenty of room to make the perfect cast and land a beautiful trout. The guides will assist even the most novice angler on a successful day on the river. We will make camp on the river's edge.

Aug 20th - Our last day will be spent floating the last wilderness stretch of river. The guides will see us all down river to the takeout at Mid Creek. From the takeout it is just a 3-mile hike to the trailhead.

Every leg of the journey will be backed up by mule support and a full guide crew. This is a fully guided trip suitable for beginners or experienced anglers. We ask that all anglers be in good physical condition and ready for outdoor adventure! The trip includes all meals starting with a saddle bag lunch on your day of arrival, river/fishing guide, horse wranglers and riding horses, a packer and string of mules, fully furnished camp, double occupancy tents with cots and sleeping pads, camp cooks who guarantee no one leaves hungry, all the fishing gear you will need for success on the water.
