DIESEL + TURBO.

## +TURBO CHARGERS.

### THE STOCKISTS

Denco Diesel and Turbo take the hassle out of sourcing turbocharger spares.

Boasting Australia's largest single turbocharger warehouse we have thousands of lines of turbocharger stock on our shelves. We are stockists of the 5 major turbo brands Borg Warner (2011 Distributor of the Year), Garrett, Holset, Mitsubishi and IHI, as well as Hitachi and Toyota.

## + OUR SERVICE.

At Denco you can count on our quality service. We put you first. Visit our website [www.dencodiesel.com](http://www.dencodiesel.com) or give us a call.

## + CONTACT US TODAY.

# 1300 305 359

Call us today to request a quote. If it's not listed on our extensive online offering, don't be deterred. Denco may be able to offer you a solution via alternatives or repair options. Centrally located, competitively priced with attractive freight rates we can help you keep costs and downtime to a minimum.

# + GENUINE IT MATTERS!

We are passionate about the use of Genuine turbochargers and believe it is the best way to ensure your vehicle's longevity and your safety.

There are hidden dangers and costs of buying non-genuine turbochargers such as premature turbo failure, downtime, engine damage, decreased fuel efficiency and less power.

You can rest easy knowing that at Denco we offer a 100% money back guarantee\* on all brand new turbochargers purchased should the product be found counterfeit. \*Terms and conditions available at [dencodiesel.com](http://dencodiesel.com)

# + DENCO SPECIALISTS.

For quality repairs we use both a Heins and Redat balancer for wheel and shaft or compressor wheel balancing.

Our turnaround on turbo repair is very quick, in most cases we have parts for your repair in stock and we can freight to most areas overnight.

So whether it's servicing or supplying new turbos, turbo parts or exchange units our AADS accredited technicians can get you up and running faster.

# + WEBSITE SHOP NOW OPEN.

The screenshot shows the Denco Diesel website interface. At the top, there is a navigation menu with links for HOME, PRODUCTS, SERVICES, ABOUT, NEWS, and SUPPORT. Below this is a 'Products' section with tabs for TURBO ACCESSORIES, TURBOCHARGERS, TURBO SYSTEMS, INTERCOOLERS, DIESEL ACCESSORIES, and TURBO ACCESSORIES. A 'FILTER STORE BY:' section is visible, with a 'VEHICLE' dropdown menu showing a list of brands including Ford, GM, Holden, Iveco, John Deere, Komatsu, Landrover, Leyland, Liebherr, Lister, Mack, Masada, Mercedes, Mitsubishi, Navistar, Nissan, Palfinger, and Puma. The main content area displays 'Turbo Accessories' with a grid of product images and labels: ALUMINIUM ELBOWS, EXHAUST OUTLET ASSEMBLIES, GAUGES & TURBO TIMERS, METAL FLANGES, and OIL SUPPLY & DRAIN. A detailed product page for a turbocharger is also visible, showing a close-up image of the turbocharger and its specifications: Turbocharger Manufacturer: BE, Turbocharger Model: R916, Turbocharger Short Spec Part No: YT16, Turbocharger Part No: VAD20022, OEM Part No: 15154170, Vehicle: Mitsubishi 2.5 Line Common Rail, Teton - Factory Turbocharged & Intercooled, Engine Model: 4D56 CRD, Part Number: YT16, Weight: 6kg. The page also includes a 'Part No. YT16' field, a 'Weight: 6kg' field, and an 'ADD TO CART' button.

# + CARRY A DENCO EXPERT IN YOUR POCKET.

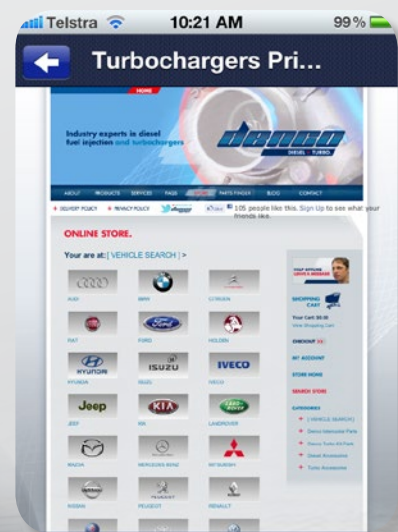

FREE

There are loads of features that can assist you, save you time and money.

One feature that will come in handy is our photo diagnostics for parts identification and fault diagnosis. It also features instructional videos, pump timing specifications, current pricing, turbo fitting instructions and technical information.

Search Denco Diesel in the iTunes store or Google Play to download for FREE today!

# + FUEL INJECTION SERVICE.

Our experienced fuel injection workshop are authorised dealers for Bosch, Denso, Delphi, Zexel and Stanadyne. Using the very latest test equipment we can quickly and accurately diagnose and service most models of fuel pumps, governors and electronic diesel controlled fuel systems.

Our modern workshop features, ensure fast and accurate fuel calibration. It allows us to service

all makes and models from 1 cylinder mechanical fuel pumps to state of the art common rail systems. This translates into considerable time and cost savings.

We carry a huge range of quality exchange pumps and injectors that are covered by our 12 month warranty. Our large stock holding of parts means that vehicles not covered by the exchange program can be serviced without delay.

## COMMON RAIL

Our common rail packages will save you time and money when sourcing parts.

We can offer packages including supply of genuine pump, injectors, fuel rail assembly and pipes.

As an authorised Denso repairer, warranty assessment can be performed in accordance to manufacturer specifications by Denso trained technicians.

# + AFTER MARKET DIESEL SYSTEMS.

Fit a turbo and intercooler system and you'll never look back, the addition of a Denso turbo and intercooler system enhances vehicle performance and efficiency. Our turbo systems are set to a low boost pressure and an increase in

power of 30-35% on a standard vehicle can be expected. Tow with ease and get up those hills faster with the power of a turbo kit!

Available as a package or separately our turbo and intercooler systems suit a range of popular diesel 4wd

vehicles. For current pricing, fitting instructions and complete parts lists see [dencodiesel.com](http://dencodiesel.com).

Your product satisfaction is important to us. At Denso we have a 30 day money back guarantee you can't lose.
