

ARTISAN HIGHLIGHT | ALICIA

Alicia is a 50-year-old mother of five. She is a valued member of the sewing team at FMSC MarketPlace partner Believe Guatemala. Prior to working at Believe Guatemala, she made tamales for a living, but also had some sewing experience. She was excited about the opportunity to join the sewing team and her skills developed quickly. She loves her being part of a program where women can be included, especially at her age.
