

# ARTISAN HIGHLIGHT | BEATRICE

Beatrice has been employed by The Women of Pader for five years. As a member of The Bead Project, she is skilled at making hand-rolled paper beads. Through her work, she has been able to buy household items for her home, provide food to feed her family, and buy clothing for her children. Beatrice is currently working toward her dream of starting a livestock farm.

**HANDMADE IN UGANDA**

Every purchase provides FMSC meals and builds sustainable communities.
