

ARTISAN HIGHLIGHT | DINORAH

Dinorah works as a seamstress for FMSC MarketPlace partner Manos Esforzadas in the Dominican Republic. The program helps women from vulnerable communities develop skills in textiles and handicrafts. Artisans like Dinorah are able to work at home, thus generating an income for their family while also being home to care for them. Dinorah dreams of one day owning her own store.

HANDMADE IN THE DOMINICAN REPUBLIC

Every purchase provides FMSC meals and builds sustainable communities.
