

# ARTISAN HIGHLIGHT | CLAUDE

Claude has been making beautiful metal art since he was 8 years old. Now he manages 15 other artisans through Vineworks, which has partnered with FMSC to promote empowerment and economic growth in the community. The income from his craft is helping him pursue a degree in business. He says thank you because your purchase helps raise up the next generation of Haiti.

**HANDMADE IN HAITI**

Every purchase provides FMSC meals and builds sustainable communities.
