

# ARTISAN HIGHLIGHT | JANETH

Janeth adores creating amigurumi animals for Weaving Hope. One of her favorite things is transforming the yarn into something fun for kids. "It inspires me to give joy to the children," she said. Janeth is able to provide for her family and send her children to school. She dreams of earning her own degree and building a bright future for her children.

**HANDMADE IN PERU**

Every purchase provides FMSC meals and builds sustainable communities.
