

Corporate Gift Giving

FMSC MarketPlace makes gift-giving simple and meaningful.

Provide artisan-crafted gifts to your employees, clients and other associates. For orders of 10 or more, we will ship unique handmade gifts to the individual addresses you provide. We'll even include a customized note in each package!

Every gift supports artisans and provides meals for hungry children around the world.

Curate Your Own Package

We will work with you to curate the perfect gift for your recipients.

A 10% discount will apply to orders of 10 gift sets or more.

1. Choose from some of our most popular sets such as the Haitian Clay Mug and Hope Blend Coffee set or Pine Needle Basket and Haitian Chocolate set; or select any of the items from our online store and create your own one-of-a-kind gift.

2. FMSC MarketPlace will either send all items to one location for you to distribute or, we will package and ship all gifts to your recipients, on your behalf.

3. Once all items have shipped, you will receive an electronic invoice and we will share how many FMSC meals your purchase provided!
