# Colored Blox

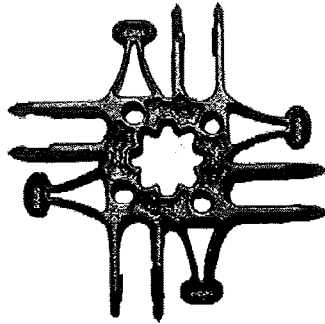

**NOTE:**

For Color swords, Black and Gray Blox are different from "Colored" Blox.

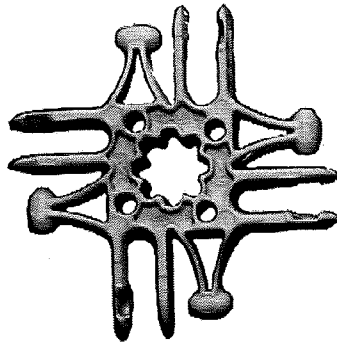

**Color 1**

**Color 2**

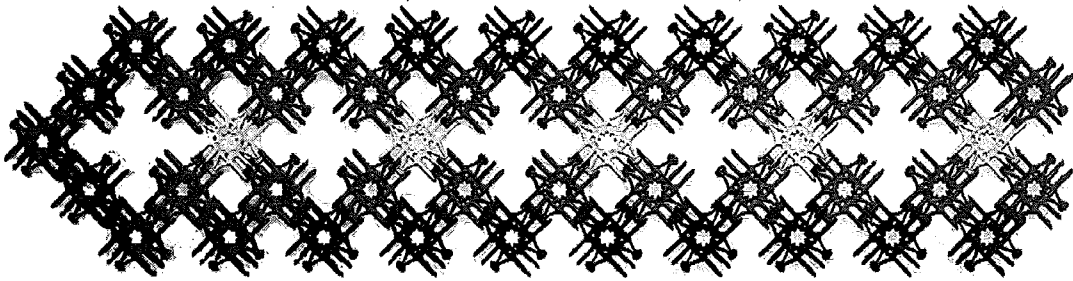

**Color 3**

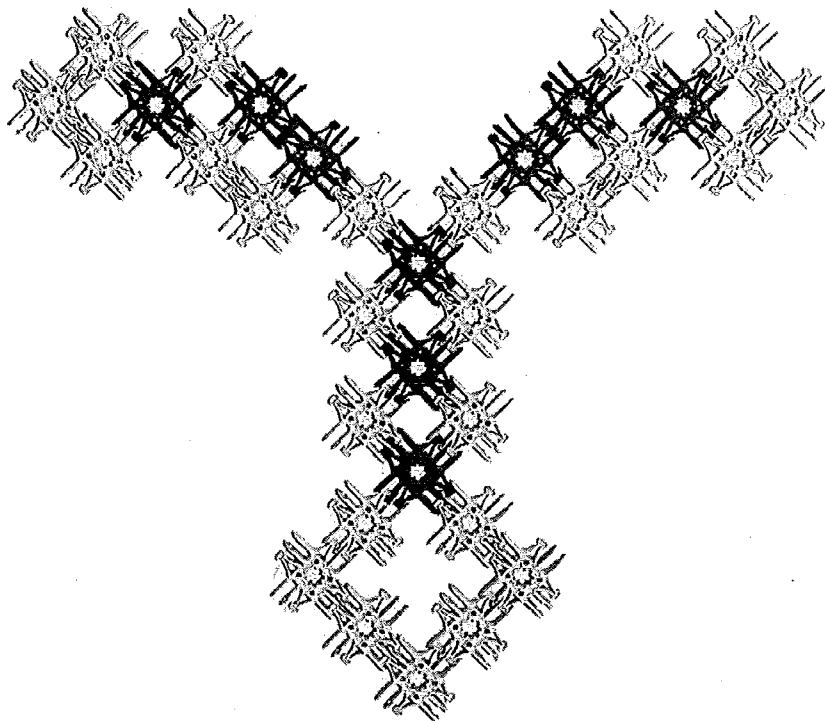

## Step 1

Connect Colored Blox 1, 2, and 3 to create 2 blades, as shown below.

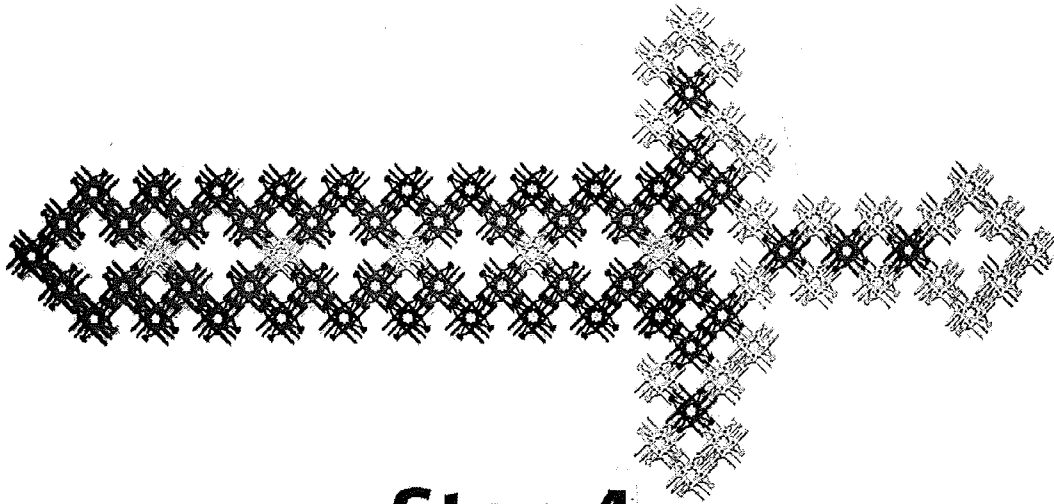

## Step 2

Connect black and gray Blox to create 2 hilts, as shown below.

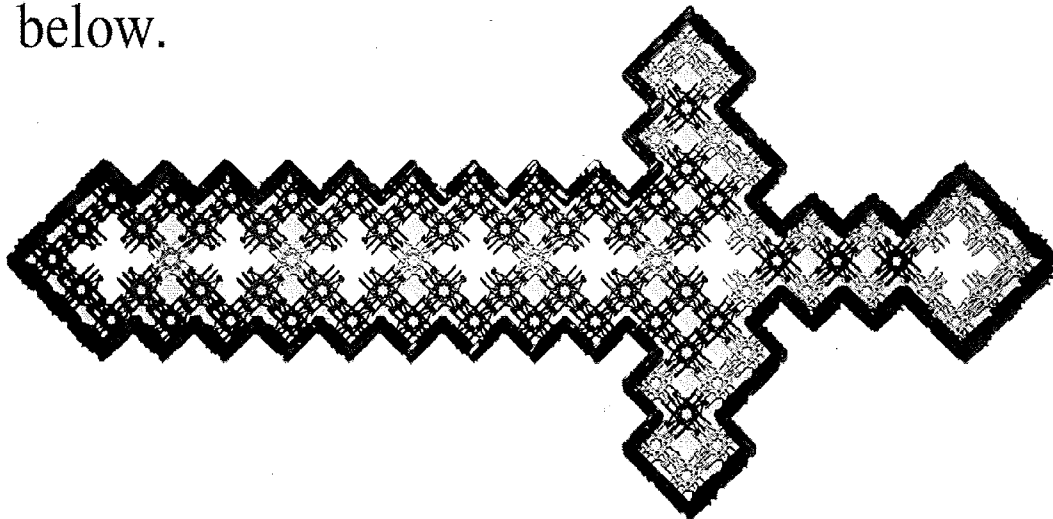

## Step 3

Connect hilt and blade as shown below.

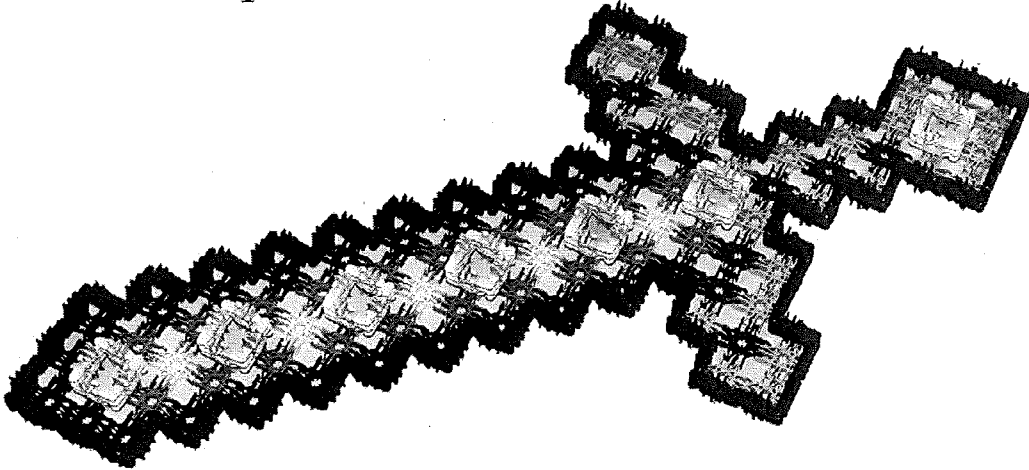

## Step 4

Connect Color 1 Blox to edge of blade and connect black Blox to edge of hilt as shown below.

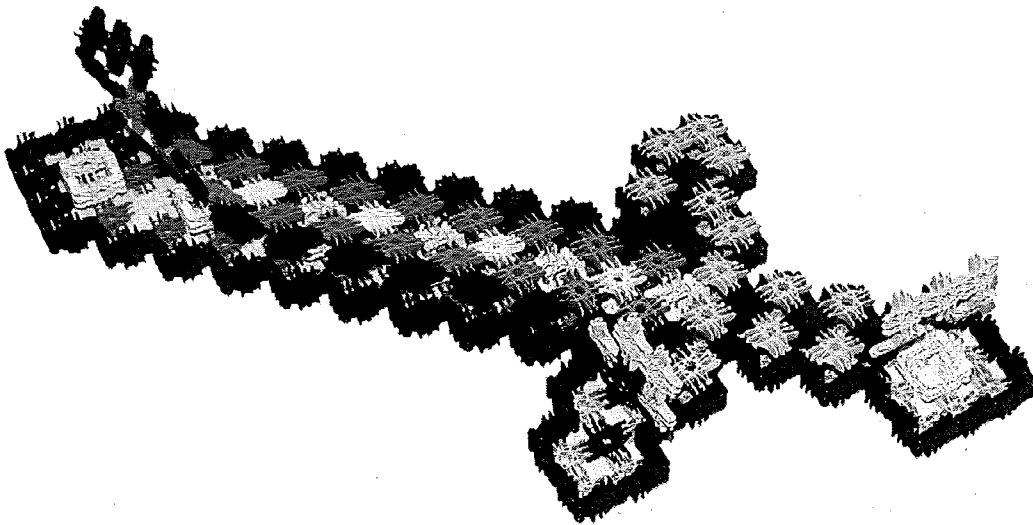

## Step 5

Connect Color 3 Blox to open spaces to create 7 squares as shown below.

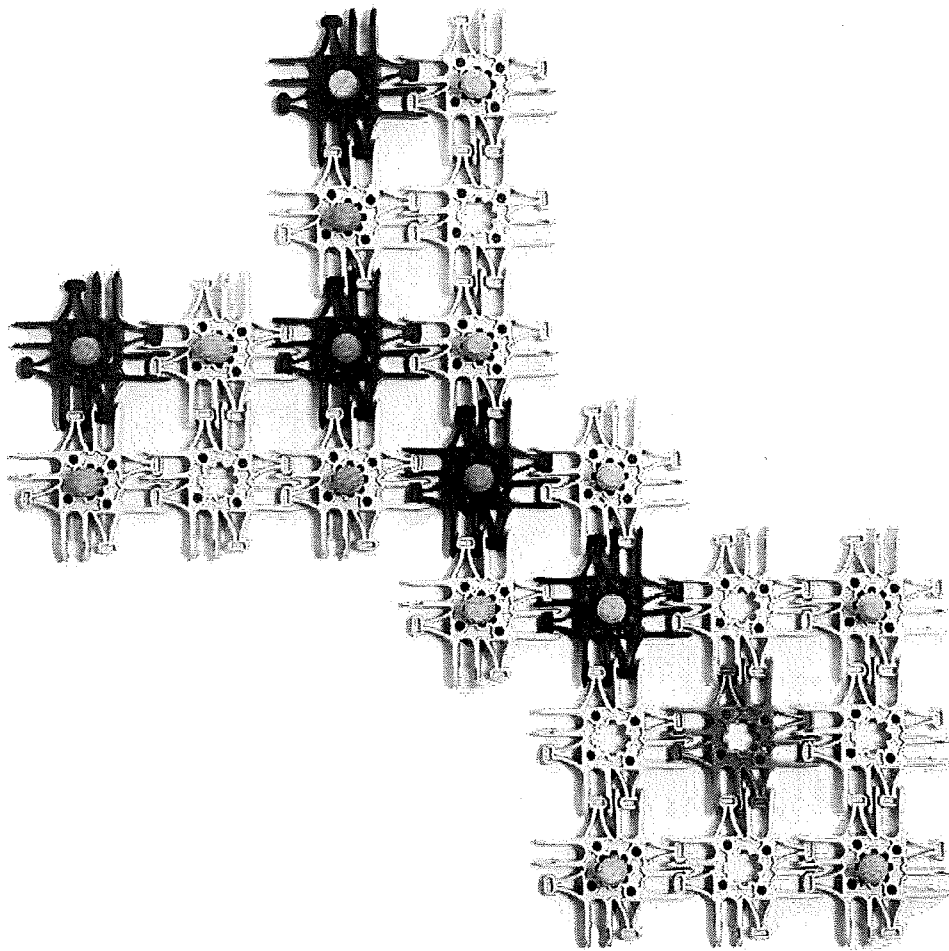

## Step 6

Connect second blade and hilt from step 1 & 2 to Blox on the edges of the sword as shown below partially connected.

## Step 7

Using black and gray Blox, create 2 hilt reinforcements and insert wooden pegs into Blox as shown below.

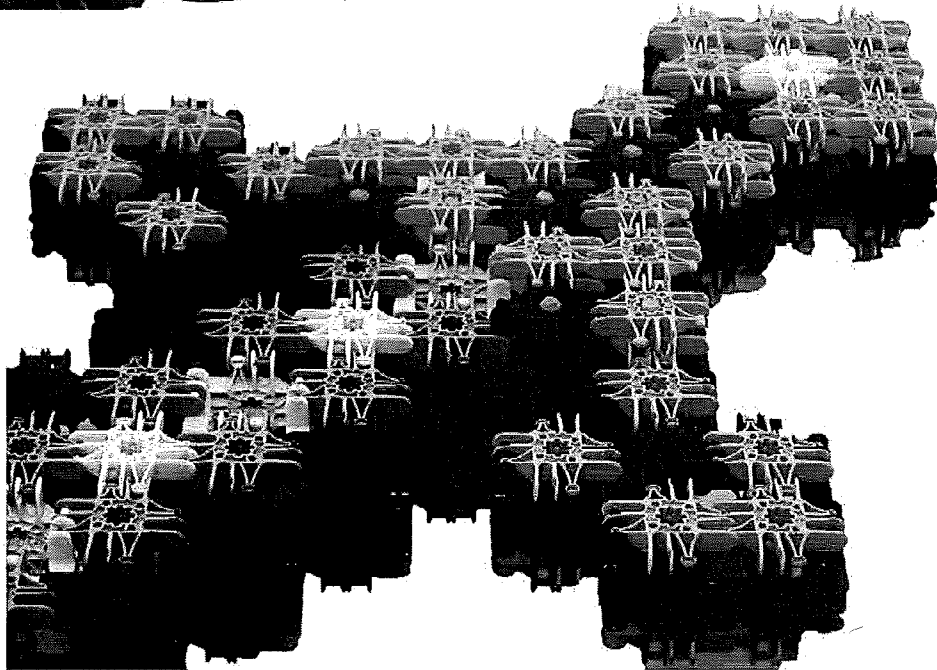

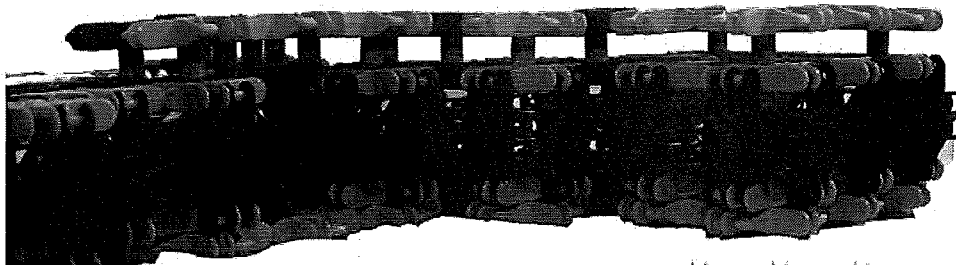

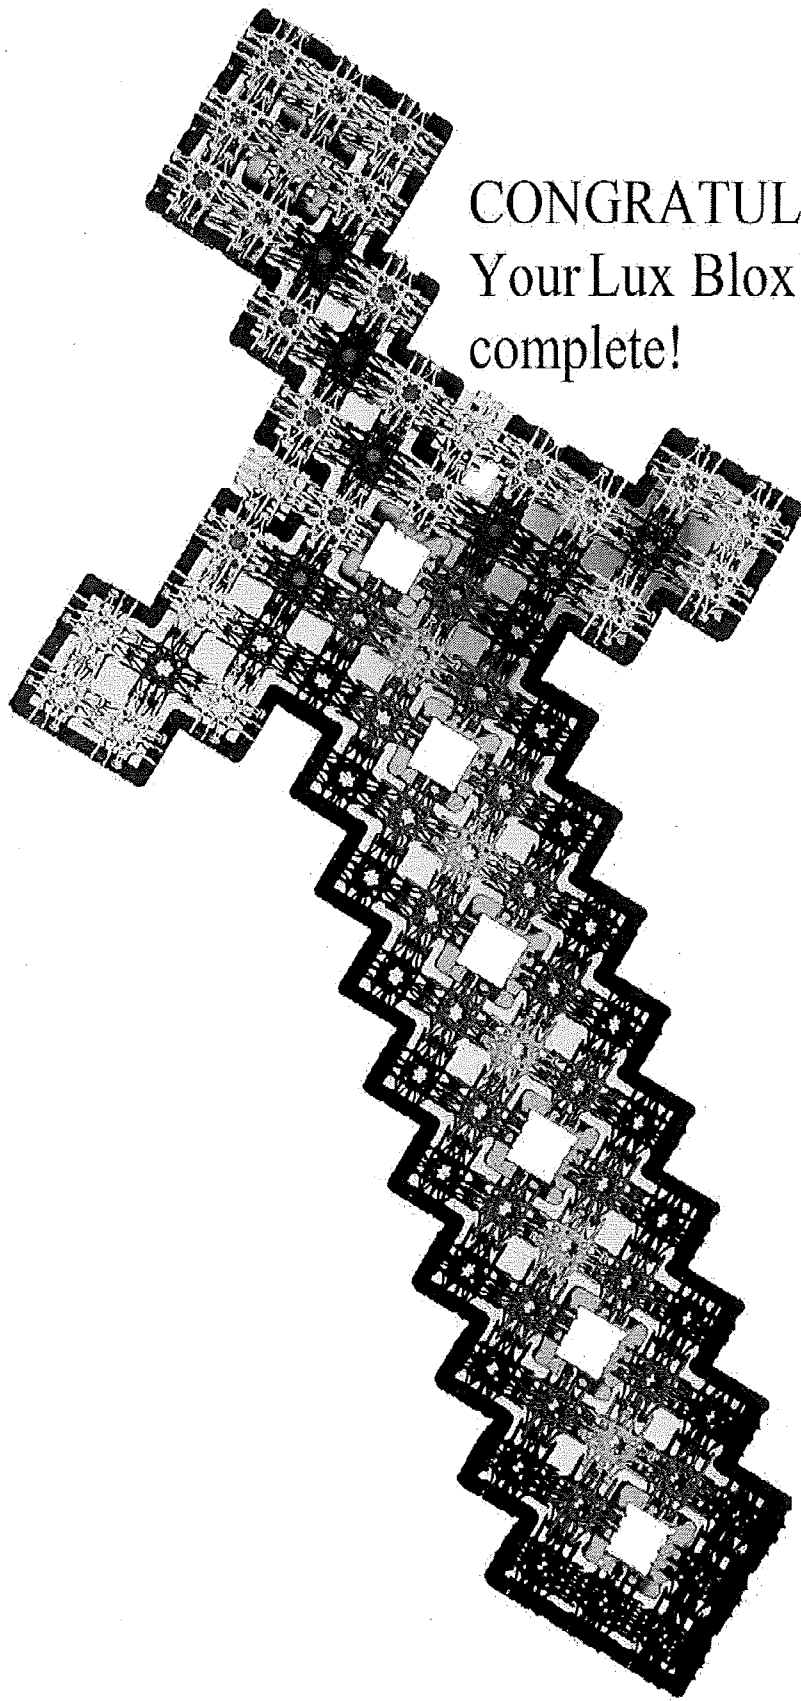

### **NOTE:**

Use 1 Color 3 Blox in center of bottom of the hilt reinforcement as shown above.

## Step 8

Align pegs with Blox on sword hilt as shown below and push into hilt Blox.  
Repeat on other side.

CONGRATULATIONS!  
Your Lux Blox Sword is  
complete!
