

AN ORIGINAL GRANITE BRACKET™ PRODUCT

# THE ORIGINAL FLOATING SHOWER BENCH KIT

WITH SCHLUTER® KERDI

### ORIGINAL SHOWER BENCH BRACKET

Our industrial strength shower bench bracket is the perfect solution to give your shower bench the support it needs to truly be a floating bench.

### SCHLUTER KERDI BOARD

Our kit comes with two (2) Schluter Kerdi boards. Each board is two inches (2") thick to add stability and support to your shower bench.

### KERDI-BAND

The Kerdi-Band is a waterproofing strip that seals the shower bench making it waterproof.

### SCHLUTER KERDI-FIX

The adhesive included is used to seal the two boards together as well as secure the boards to the included Shower Bench Brackets.

### SUPPORTS UP TO 640 POUNDS

This kit not only helps bring your dream shower bench to reality but is also designed with longevity in mind.
