

# VENDOR APPLICATION - 2020 CAYUCOS SEA GLASS FESTIVAL

• You are invited to apply for a booth at the Cayucos Sea Glass Festival next to the Cayucos Vet's Hall, located on the Pacific Ocean at the base of the pier. This year's festival will again be a two-day event, March 14-15. Friday night we will have the tents open for you to do a preliminary set-up. (Join us after set up for the Mermaid Ball!) • On SATURDAY ONLY we will have preview shopping start at 9am! Only 250 tickets will be sold, at \$15 each. This allows both vendors and customers some quality time (and sales!). On Sunday the event will end at 4pm. • This is a juried event, and you must submit your application by mail only (**no on-line applications or photos accepted**). • The event will be held in tents in the Vet's Hall parking lot. You may request your location preference (Basic Booth or a Corner Booth), and we will do our best to accommodate you. Corner booths are limited and requests will be met in order of receipt of application. Please note that if your application is not selected in the first round, you will be placed on a waiting list in case there are cancellations (if you choose not to be placed on the waiting list, your check will be shredded).

• All artists must be self-representing and be present in their booth, no reps • Creations must be made by the artist, no buy/sell or items crafted not by the artist(s)  
• Only authentic, natural sea/beach glass shall be used and sold at the event • At least 75% of work must be related to sea/beach glass • We allow one business per booth (no shared booths) • Vendor agrees to partake both days, all day • Absolutely no dogs allowed at the festival. • All artists must have a valid CA Seller's Permit ([www.boe.ca.gov/pdf/boe400spa.pdf](http://www.boe.ca.gov/pdf/boe400spa.pdf)) and are responsible for their own merchandise transactions • Artists must provide their own display. Artists may hang their own signs in the back of their booth provided the signs do not extend past the limits of the booth and do not block a fire exit • All lighting must be LED - absolutely no incandescent bulbs allowed.

**\*No power or internet provided by the venue, please come prepared.**

**\* Vendors CANNOT place anything outside the boundaries of their booth. Set-ups will be inspected and enforced by Katie. We reserve the right to place you where your requested layout best fits.**

**If you want to bring your own table we welcome anything 4' or smaller and it MUST be contained within your booth space.**
