Less pain.
Less medication.
More peace of mind.

"This is an amazing product that all dentists and patients should know. My daughter used it after having her wisdom teeth removed, experienced accelerated healing and was able to just use a 3x dose of Tylenol and no other pain killers. Opioids are a slippery slope... with this product you will avoid them. I highly recommend." – Karen, NY

I am amazed and thankful that in less...

I am amazed and thankful that in less than 2 weeks the rinse has almost completely healed my Burning Mouth Syndrome. What a relief to find a product that worked! I only wish it was less expensive so I could continue to use it if necessary into the future.
