

# Blisters – Patient Review

## 4-days after using StellaLife Oral Care Recovery Kit

### Description

Patient (Male) had many blisters show up. It was the first time they showed up and were extremely painful.

### Method

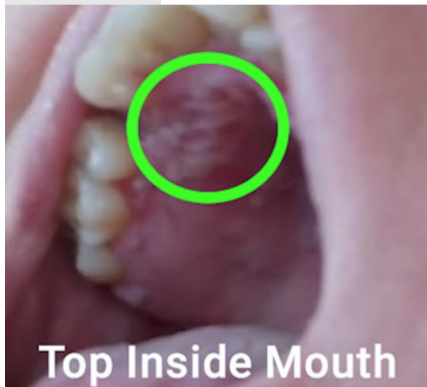

The patient was placed on StellaLife VEGA Oral Care Recovery Kit course three times daily. The patient was seen 4-days after for a follow-up and re-evaluation.

### Conclusion

At the 4-days review, an evaluation revealed accelerated healing. All blisters were gone.

”The VEGA Oral Care Recovery Kit for was soothing right away and helped keep the burning feeling at bay. My first time using StellaLife and no more blisters. I am now recommending StellaLife to others.”
