# PRE+POST+PROBIOTICS KIT

StellaLife® Probiotics Kit is a breakthrough natural solution formulated to maintain a healthy mouth, combining oral & gut probiotics to give you a complete microbiome solution. In one kit, you get to restore your oral & gut flora to health. We know you will enjoy & love what it does for your body!

## COMPLETE SOLUTION

StellaLife Probiotics Kit provides a complete solution for your mouth and gut. The human body contains trillions of microorganisms – outnumbering human cells by 10 to 1. Because of their small size, microorganisms make up only about 1 to 3 percent of the body's mass but play a significant role in human health. Therefore, not surprising that in the last decade, a considerable number of scientific literature showing more and more benefits of a healthy microbiome.

## HEALTHY MICROBIOME

The oral and gut microbiome are vital for overall health. True to our mission to improve lives, we introduce the StellaLife Probiotic Kit. We combined oral and gut probiotics to deliver a complete microbiome solution in a single kit. With StellaLife Probiotic Kit, you can restore your oral and gut flora back to health.

## ORAL PRE+PROBIOTICS LOZENGES

We deployed 6 Billion CFU of 9 essential strains that have demonstrated their efficacy. We also have prebiotics, vitamins C, D, and Zn, which are crucial for oral and overall health.

## GUT SPORE POST+PROBIOTICS CAPSULES

We deployed 7.5 Billion CFU of 5 essential strains and 10 Billion CFU of necessary postbiotics in a vegetable capsule. The blend consists of spore probiotics which have been shown to survive better in the stomach acid and deliver full efficacy in the gut.
