## Charging

Pulsar™ Lux needs to be completely charged before first use.

- Insert Micro USB plug into charging port on the bottom of the battery. Connect other end of cable into a dedicated USB port or into AC Wall Adapter.
- Multi Function Button will turn red while charging, turning green once fully charged. Charge time is approximately 3 hours.
- Use only Pulsar™ brand chargers! Failure to follow this warning can result in property damage or personal injury, and will void the warranty.

## Filling The Lux

- To remove the mouthpiece, push from either the left or right side.
- Finely grind herbs and place inside heating chamber.
- Do not overfill or pack herbs too tightly.

## Operating Instructions

- To turn on your Lux, push the button 5 times within 3 seconds. Button and temp indicator will turn red, and the Lux will begin to heat up.
- The button will turn green when the Lux is ready to use. Initial heat-up time is 40-60 seconds.
- Take a slow, steady draw and enjoy your vape!
- Your Lux is equipped with 10 second auto-shutoff timer to prevent waste and overheating.
- To manually turn off your Lux, push the button 5 times within 3 seconds. Both lights will turn off.
- Battery life: approximately 90 minutes per charge on lowest heat setting.
- When the battery needs to be charged, the light will blink red five times then shut off.

## Heat Settings

- The Lux is equipped with three heat setting to customize your vaping experience:
- Red = 360°F Green = 380°F Blue = 420°F
- To change the heat setting, hold the button for five seconds. The temp indicator will change color, and the button will turn red. Once the button turns green, the Lux will have reached the desired temperature.

## Cleaning

- After each use, insert included brush and gently agitate to remove any remaining herb particles.
- Periodically clean and replace mouthpiece screens to maintain airflow and provide best possible taste. To access screen, remove mouthpiece and unscrew metal screen housing. Use brush to gently push screen out of housing.
- Do not use cleaning solutions, solvents, or other chemicals when cleaning your Lux. Doing so can result in undesired tastes or smells and can cause potential health hazards.

## Important Safety Warnings

- Only charge using Pulsar™ brand chargers.
- Do not expose to extreme temperature or direct sunlight.
- Do not drop the Lux or batteries.
- Do not drop or submerge in any liquid.
- Do not modify the electronics in any way.
- Do not touch trench until fully cooled.

Pulsar™ Lux is intended for adults only. Do not sell or provide to minors. Keep all parts and herbs away from children and pets. Pulsar™ Lux is not a medical device and is not intended to diagnose, treat, mitigate, cure, or prevent any ailment, disease, or other conditions. Consult a physician before use, especially if you suffer from heart disease or any other medical condition, or if you are pregnant or breastfeeding. Failure to follow any of these instructions could result in product damage, property damage, or personal injury.

## Limited Warranty

The Pulsar™ Lux is guaranteed from manufacturer defects or malfunction from date of purchase for a period of 6 months. This limited warranty protects against manufacturer defect under normal use and does not apply to normal wear & tear; improper use; accidental damage from dropping or submerging in liquid; improper cleaning; neglect; or any other damage that is not a result of defective materials or workmanship. If your Pulsar™ qualifies for servicing, we will repair or replace, at our discretion and expense, any defective parts or materials. Purchaser must provide a copy of the original dated sales receipt and may be required to provide shipping to return defective parts or materials. We intend to complete all repairs/replacements within 7 business days, although this timeframe may vary depending on shipping,

replacement part availability, or other related factors. The lawful and proper use of this device is a condition of sale. Any improper use of the Pulsar™ Lux will void the warranty. Warranty is non-transferable. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
