

## **ATMOSRX JUNIOR VAPORIZER – USER GUIDE**

### **Preparing**

1. Charge your AtmosRx Junior device for 2 hours. Your charger will be red while charging and will turn green once battery is full.
2. Remove the chamber connector from the ceramic heating chamber.
3. Fill the ceramic heating chamber with your herbs. Use the packing tool to gently pack the chamber with your herbs (do not over pack).
4. Screw the chamber connector back into the ceramic heating chamber.

### **Activating**

5. Press power button for approx. 2 seconds.
6. Inhale slowly while continuing to press the power button.
7. Repeat as necessary.

### **Charging**

8. Charge your AtmosRx Junior vaporizer for approx. 2 hours.
9. Your charger will be red while charging and will turn green once battery is full.
10. Remove battery from charger once the battery is full.
11. When the LED light blinks 5 times, the device needs to be recharged.
