

CURATORS OF FINE ARTISANAL TEAS, TEAWARE
& LUXURY GIFTWARE

THE ART OF GIFTING

The art of gift giving is as primitive as human civilisation itself but the best gifts are the ones where the receiver feels truly understood. Offering the humble and ubiquitous tea makes for the perfect way to say thank you or simply express gratitude for continued relations.

Give the gift of calm with our premium teas and tisanes that are made with love and taste best when shared.

Our collection of exotic blends offers the right introduction to gift giving for any occasion or festivities. Meticulously handpicked and expertly curated loose leaf superior quality teas are packaged with care in a range of chic and contemporary collections.

From individually bottled tea vials to elegant custom gift boxes and everything in between, we offer a diverse set of packaging and price options for your gifting requirements this festive season.

Quality, craftsmanship and attention to detail are the hallmark of our exquisitely handcrafted felt-lined dark mahogany-stained tea chests. Our gifting range in stylish wooden boxes lets you appreciate Dancing Leaf's delicious signature blends. Personalise your selection to fill the wooden box partitions with our most popular imported and house blends.

At Dancing Leaf we have attentively created and styled vibrant gifts for every event ranging from corporate to cultural. This year, take full advantage of the opportunity to play with our wide selection of blends and truly partake in the spirit of giving.

MAKE YOUR GIFT UNIQUE

With our tailor-made solutions for bulk orders, make your gifts unique to show careful thought & attention.

It's in a different league because, quite simply because its unique.

Take, for instance, the name of each of your receivers on any of our collections or the artwork designed to your brief - it's a gift that can only come from you.

A wonderful way to make someone feel special.

STEP I

Talk to us about what inspired your gift idea. It could be a piece that caught your eye somewhere, such as a book cover. Share your order quantity, price, timeline, and quality specifications.

STEP II

Our team will come up with a range of creative options. Once the idea is defined, they will offer you a made-to-measure concept. As soon as you approve the concept, we will start creating a prototype sample, and we'll also suggest branding options for you to consider.

STEP II

Once your tailor-made prototype takes shape and you have approved the sample, production can start. We'll stay in touch throughout the process until you have taken delivery of your unique gifts.
