## Featured In:

Parents

ESSENCE

## Speaking Topics:

- **An Author's Journey** - Preserving African culture & legacy through folktales & language books.
- **Raising Multicultural Children** - Managing expectations and reality by embracing, cherishing and celebrating multiple cultures.
- **The Entrepreneurial Journey** - Career paths have many roads to explore. Dare to go against the grain and forge your own path.
- **Rising from Trauma** - Striving to heal after experiencing trauma and in the process, discovering a passion that turns into a purpose.
- **Embracing Diversity** - As a Nigerian immigrant, the importance of sharing Africa's culture and legacy as a global citizen and giving back to children in need.
- **African Storytelling Reimagined** - Interactive program with a hands-on approach to discovering the beauty of African culture through dance, storytelling, and interactions with authentic artifacts.
- **Discovering Self** - For teens preparing for post high school life, what are some paths to consider, passions to follow, roads to get to goal and knowing all along the way, detours are ok.
- **Reinventing Self** - Pivoting and exploring new endeavors and passions regardless of what age, learn how to overcome fear and embrace a new career or purpose at any age.
