

Cheri Maria Arellano

Bio - Comprehensive (260 words)

Divine Light Codes® is the ultimate vessel of Cheri Arellano's life's work. She believes that many souls have incarnated on Earth to carry the light codes for ascension, freedom, and unity consciousness. She is on a mission to share her light and assist with humanity's awakening. As a Keeper of the Codes, she transmits healing light codes to humanity. Her focus is getting to core wounds and integrating their inner divinity so they too, can shine their light. Her clients are newly awakened humans, advanced souls, and Starseeds from all around the world. Divine Light Codes® is a beacon for those on their awakening journey.

Cheri Arellano is a multidimensional energy healer and is certified in The Crystalline Healing Light® and Quantum Psionics® modalities. She helps her clients clear trauma, limiting beliefs, chords and expired soul contracts by offering energy healing, frequency upgrades, and Starseed readings so they can embody more joy, self-love, and compassion.

Cheri is an alchemist and holistic creator of Divine Light Essentials — a product line that includes essential oil elixirs and beautiful jewelry infused with healing energies for your divine alignment.

Her elixirs are divinely guided essential oil blends that work on emotional healing, chakra balancing, and some physical ailments. The blends that she created include the highest quality essential oils and crystals in the bottles, and she offers suggestions on simple ways you can heal yourself and your family from emotional blocks, headaches, muscle aches and much more.
