

New beginnings

New beginnings

'Muthu' (*Precious Pearl*), embraces the beauty and diversity of cultures from across the world. Based in Sydney, Australia, each piece has been lovingly designed by jewellery designer, *Thilini*, with much inspiration based on her Sri Lankan heritage.

New Beginnings is the debut collection for Muthu Jewellery, inspired by the Lotus flower (*Nelum Mal*) and its symbolism for peace, purity and new beginnings.

This collection is for the adventurer, ready to chase her dreams, start a new life and create her own kind of beautiful.
