

Bumper Replacement Instructions

For Bath Royale Toilet Seats Only

Tools Required:

Knife

Rubber Mallet (preferred) or Small Hammer

- 1. Remove your seat from the toilet using the quick release.**
- 2. Open the cover, lay the seat upside down on a large, flat surface (vanity or counter) with a towel underneath the seat to protect the seat and counter.**
- 3. Pry the old bumpers off the seat with a knife.**
- 4. Install the new bumpers by pushing them into the bumper foundation.**
- 5. Using a rubber mallet (preferred) or small hammer, gently tap the new bumpers completely down and into place.**
