# Promote your property where people are looking!

A powerful tool that pinpoints potential buyers through search engines and social media channels. It is a strategic system that can reveal your property to targeted potential buyers when they are most comfortable and interested.

This graph highlights the effectiveness of the program when combined with your normal marketing channels.

	COST	VIEWS
One Click Away (local)	\$	
Local Newspaper (each ad)	\$\$\$\$\$	
Real Estate Sites (4 weeks)	\$\$\$\$	

Choose to promote locally or globally depending on the type of property. Simply goto [www.oneclickaway.com.au](http://www.oneclickaway.com.au), purchase the listing type (global or local), provide us with the property detail web link...we create the ad and send the campaign live for you within 24 hrs!

## Advantages of the One Click Away program

- Find **every last buyer** across major social media and search engine channels.
- Reach buyers instantly. **Within 24 hrs your ad will be live** and viewed across Facebook, Instagram, Google and Bing.
- **Monthly report** shows you in plain language the engagement of buyers for your property. (views & clicks)
- Expect around 20,000 local people seeing your ad in the **local** program and around 100,000 people in the **global**.
- When the property sells, a nice big **SOLD** sign is added and you can share your success with friends!

**Local \$395**  
Promote to locals & others interested in buying property. 20,000+ reach.

**Global \$695**  
Promote to local, national and international people. 100,000+ reach

Price is per listing and local and global campaigns last approximately 4 weeks.
