WELCOME TO THE THEATER

Congratulations! You'll be working with your **creative team** and fellow **cast** members to put on a **musical**. Before you begin **rehearsals**, there are some important things you should know. This book is your **script**. Whether putting on a school production or rehearsing a professional show, every **actor**, **director**, and **stage manager** works from a script. Your Actor's Script contains additional information for this musical, like this introduction and two glossaries. You can look up any bold words in the Actor's Glossary at the back of this book. Be sure to take good care of your script and take notes with a pencil since what you'll be doing onstage can change during rehearsals.

One of the first things you'll need to learn is what to call the various areas of the stage. Since most stages used to be **raked**, or tilted down toward the **house** where the audience sits, the term **downstage** is still used to refer to the area closest to the audience, and **upstage** is used to refer to the area farthest from the audience. **Stage left** and **stage right** are from the actor's perspective when facing the audience. This diagram shows how to use these terms to label nine different parts of the stage.

WHAT TO EXPECT DURING REHEARSALS

You will be performing a musical, a type of **play** that tells a story through music, **choreography**, and **dialogue**. Because there are so many parts of a musical, most shows have more than one **author**. The **composer** writes the music and usually works with a **lyricist**, who writes the **lyrics**, or words, for the songs. The **book writer** writes the dialogue (spoken words, or **lines**) and the **stage directions**, which tell the actors what to do onstage and which music cues to listen for. If the book writer and lyricist are the same person, they are often referred to as the **librettist**, since the book and lyrics together are referred to as the **libretto**.

Your director will plan rehearsals so that the cast is ready to give its best performance on **opening night**! Remember to warm up before each rehearsal so that your mind, body, and voice are ready to go. Every rehearsal process is a little bit different, but here is an idea of what you can expect as you begin to work on your show:

Music

Since you're performing a musical, it is important to learn the music during the rehearsal process. Your **music director** will teach the cast all the songs in the show and tell you what to practice at home.

Choreography

Since most musicals include some movement or dance, you'll also be rehearsing choreography. Your **choreographer** will create the dances and teach them to the cast. The music and the choreography help tell the story.

Blocking & Scene Work

Your director will determine where everyone in the cast stands and how they move around the stage. You'll use theater **blocking** terms (downstage left, upstage right, etc.) a lot during this portion of the rehearsal process. You will also practice speaking your lines and work on memorizing them. Rehearsing your part from memory is called being **off-book**. Your director will help you understand the important action in each scene so you can make the best choices for your character's **objective**, or what your character wants.

MARKING YOUR SCRIPT

Notating your script can help you to remember important blocking and direction. Below are some tips to keep you on track.

1 Always write your name legibly on your script. Scripts have a way of getting lost or changing hands during rehearsals.

2 Mark your lines and lyrics with a bright-colored highlighter to make your part stand out on the page. This will allow you to look up from your script during rehearsals, since it will be easier to find your place when you look back down.

3 Underline important stage directions, lines, lyrics, and individual words. For example, if your director wants you to stress a word, underline it in your script.

4 Save time and space by using the following standard abbreviations:

ON: onstage

OFF: offstage

US: upstage

DS: downstage

SL: stage left

SR: stage right

CS: center stage

X: cross

You may use these abbreviations to modify other instructions (you could write “R hand up” to remind yourself to raise your right hand). You may also combine them in various ways (you could write “XDSR” to remind yourself to cross downstage right).

5 Draw diagrams to help clarify your blocking. For example, if you are instructed to walk in a circle around a bench, you might draw a box to represent the bench, then draw a circle around it with an arrow indicating the direction in which you are supposed to walk.

6 Draw stick figures to help you remember your choreography.

7 Mark your music with large commas to remind yourself where to take breaths while singing.

8 Although you should feel free to mark up your script, be careful it doesn't become so cluttered with notes that you have a hard time finding your lines on the page!

But now they were even farther from the reef, and they still had no idea where to find Nemo.

At least they had each other. **JIB**

I can't believe we lost the mask! **MARLIN**

The mask?

Yes, the diver's mask! That mask was the only chance I had of finding my kid!

JUST KEEP SWIMMING (PART 1)

The musical score is written on two staves. The first staff is in 4/4 time and the second staff is in 2/4 time. The melody is in G major. The lyrics are: "Hey, Mis-ter Grum-py Gills, life's full of lit-tle spills." There are fish icons with numbers 4, 5, 6, and 7 placed around the score. A stick figure is also present.

DORY: Hey, Mis-ter Grum-py Gills, life's full of lit-tle spills.

SYNOPSIS

High above the waters of Sydney Harbour, **NIGEL, SPRIT, TILLER**, and **JIB**, a squadron of storytelling pelicans, introduce us to **MARLIN** and his kid **NEMO**, two clownfish who live in the Great Barrier Reef (***One Dedicated Father***).

Nemo, who was born with one fin smaller than the other – referred to as a “lucky fin” – can hardly wait to begin the first day of school. An overprotective Marlin struggles to let his kid go for the very first time (***Big Blue World***).

PROFESSOR RAY whisks Nemo and the other **REEF KIDS** to the Drop-Off for their first educational adventure, causing Marlin to panic. Upon spotting a mysterious boat lurking just beyond the reef, Nemo’s classmates sneak towards it, daring each other to go further into the deep water. When a terrified Marlin arrives and scolds the children, Nemo defiantly charges further out and is captured by a diver’s net (***Abduction***).

In his frantic search for Nemo, Marlin swims into **DORY**, a friendly yet forgetful fish who offers to help (***Dory’s Ditty***). Unknowingly, Marlin and Dory float into shark territory, where they meet **BRUCE**, a great white shark, and a whole frenzy of sharks trying to adopt fish-free diets (***Fish Are Friends Not Food***). Amidst the sharks’ gathering, Marlin spots a diver’s mask lying on the ocean floor, and Dory turns to the sharks for help reading the inscription, hoping it will offer a clue to find Nemo. Doubting her judgment, Marlin struggles with Dory over the mask, accidentally causing her nose to bleed. The scent of blood ignites Bruce’s insatiable appetite for fish, and while Marlin and Dory escape, they lose the diver’s mask in the process.

Meanwhile, in a tank at the Sydney Harbour Aquarium, a scared Nemo longs for home. Members of the **TANK GANG** reassure Nemo, and with **GILL**’s leadership, they hatch a plan to clog the fish tank and escape into the ocean as a team. With the Tank Gang’s help, Nemo successfully jams the tank’s filter (***We Swim Together***).

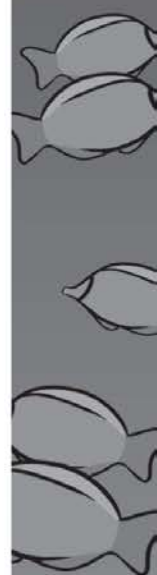

Back in the ocean, Dory tries to cheer Marlin up as the search for Nemo continues, but Marlin is frustrated by her quirky antics (***Just Keep Swimming – Part 1***). Luckily, they reunite with the diver’s mask, which has the address of where Nemo was taken. In their excitement over the recovered mask, Marlin and Dory unknowingly swim into a dangerous forest of **JELLYFISH** that sting Dory and overwhelm them both (***Just Keep Swimming – Part 2***).

Although their journey took a wrong turn, Marlin and Dory are rescued by a large colony of **SEA TURTLES** who guide them through the fast-moving East Australian Current. **CRUSH**, a wise and laid-back sea turtle, gives Marlin some advice on mellowing out and learning to trust his kid (***Go With the Flow***).

After a totally tubular ride through the current, news about Marlin and Dory's trek to find Nemo spreads throughout the ocean, reaching the Tank Gang all the way at the Sydney Harbour Aquarium. While Nemo and the Tank Gang have successfully dirtied up the tank for their escape plan, they are still trapped by an immovable grate blocking the tank's intake pipe. Only Nemo is small enough to swim through the grate, but the appearance of an aquarium net threatens to stop Nemo from escaping. Determined to get Nemo back out to sea, the Tank Gang works together to break free of the net and coaches Nemo to swim through the grate and up the intake pipe. (***We Swim Together – Reprise***). They know that they'll join Nemo out in the ocean someday.

In the ocean, Marlin worries that all hope is lost when, suddenly, Nemo flies out of the tank pipe! Their happy reunion in the harbour is suddenly interrupted when a giant fishing net appears, sweeping Dory up, along with a mass of **FISH**. Having learned from the Tank Gang how to free them, Nemo swims into the fray and instructs the captured fish to swim down together, guiding Dory and the fish to freedom (***Just Keep Swimming Together***). With admiration for each other's bravery, Marlin and Nemo make their way home with their new friend Dory (***Finale – Part 1***).

With faith in Nemo to take on all the adventures that await in the ocean, Marlin and Dory send Nemo off to school to go explore the big blue world (***Finale – Part 2***).

THEATER TIPS

- It takes an ensemble to make a show; everyone's part is important.
- Be respectful of others at all times.
- Bring your script and a pencil to every rehearsal.
- Arrive at rehearsal on time and ready to begin.
- Be specific! Make clear choices about your character's background and motivation for each line and action.
- To help memorize your lines, write them down or speak them aloud to yourself in a mirror.
- Don't upstage yourself. **Cheat out** so the audience can always see your face and hear your voice.
- Before each performance, tell everyone to "break a leg" – which is theater talk for "good luck"!
- Be quiet backstage and remember: if you can see the audience, they can see you – so stay out of sight.
- If you forget a line or something unexpected happens onstage, keep going! When you remain confident and in character, it's unlikely that the audience will notice anything is wrong.
- Remember to thank your director and fellow cast and crew.
- **Have fun!**

What's wrong with your fin?

SHELDON

It's smaller than your other one!

SHELDON'S PARENT

Be nice, kids!

MARLIN

Nemo was born with it. We call it a lucky fin!

NEMO

Dad!

PEARL

See this tentacle? It's actually shorter than all my other ones!

SHELDON

I'm H₂O intolerant.

TAD

I'm obnoxious!

NEMO

What do you think we'll see at school today?

PEARL

Probably a giant squid... or a sea turtle!

NEMO

Dad, do you know how old sea turtles are?

MARLIN

Sea turtles? I don't know.

TAD'S PARENT

Bye! I'll pick you up after school!

SHELDON'S PARENT

(to MARLIN)

You're doing really well for a first-timer!

PEARL'S PARENT

I remember I was a mess when my kid first went to the Drop-Off.

MARLIN

Well, you gotta let 'em go to the Drop-Off some time...

(realizing what he's just said)

THE DROP-OFF?! I'm coming, Nemo!!

(MARLIN scurries off in the direction of NEMO's class. The REEF PARENTS and any remaining SEA CHORUS watch him go and then exit.)

SCENE TWO: ABDUCTION AND SHARKS

(#5 – **THE DROP-OFF?!**. NIGEL, SPRIT, TILLER, and JIB enter.)

NIGEL

On Nemo's first day, the class took a trip to the Drop-Off.

TILLER

Which is a big underwater cliff...

SPRIT

...where the reef ends!

JIB

And open ocean stretches for miles.

NIGEL

When Professor Ray wasn't looking, Nemo's new friends decided to sneak off from the group.

(TAD, SHELDON, and PEARL enter. They stand at the edge of the Drop-Off, peering out into open ocean. NEMO enters, trying to catch up with them.)

NEMO

Hey! Wait up!

(Near the edge, TAD fake-pushes a startled PEARL. PEARL gasps.)

TAD

Saved your life!

PEARL

(upset)

Aww, you made me ink!

*(TAD and SHELDON laugh. #6 – **THE BOAT.**)*

NEMO

Whoa... What's that?

(NEMO points to a boat. The others see it now it as well.)

TAD

Oh! Sandy Plankton said it's called a "boat."

SHELDON

Actually, it's pronounced "butt."

PEARL

(in awe)

That's a pretty big butt.

(#7 – ABDUCTION.)

ABDUCTION

(SHELDON, TAD, and PEARL start to swim towards the boat, challenging one another to see who can get the closest to it.)

SHELDON: Look at us! We're gonna touch the butt!

PEARL: Come on, Nemo!

TAD: How far can you go?

NEMO: Uh, my dad says it isn't safe...

TAD: Don't be such a shrimp!

NEMO: I'm not!

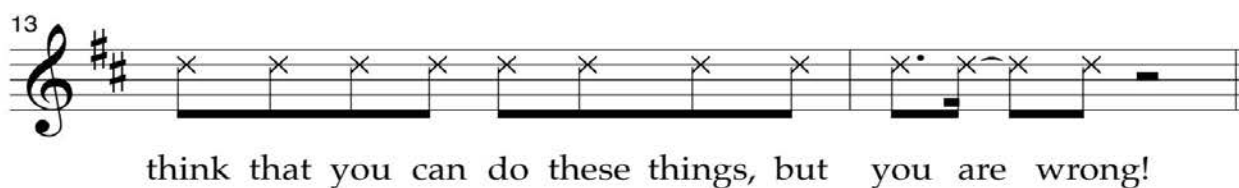

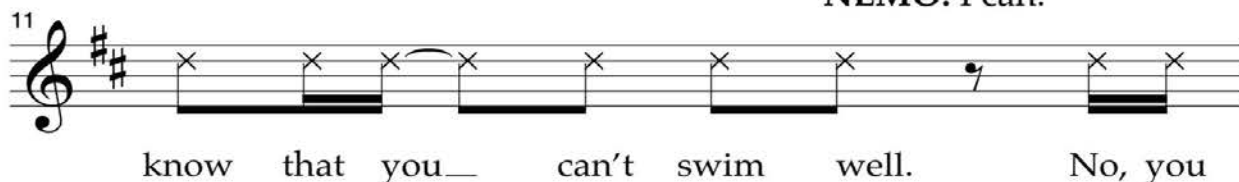

(MARLIN enters, distressed and frantic, and begins scolding NEMO. TAD, SHELDON, and PEARL quickly swim back to safety.)

NEMO: But Dad!

NEMO: I can!

(Music continues under dialogue.)

(MARLIN)

We're going home.

NEMO

No!

(NEMO turns from MARLIN and starts swimming towards the boat. MARLIN, TAD, PEARL, and SHELDON watch from the edge of the Drop-Off.)

PEARL

Nemo's swimming out to sea!

MARLIN

Get back here right now!

(A scuba diver's net appears.)

SHELDON

(urgently)

Nemo! There's a net! Look out!

(NEMO is captured in the net. TAD, SHELDON, and PEARL exit, frightened.)

NEMO

Ahhh!!! Dad! Help me!!

(MARLIN watches in horror as NEMO, the net, and the boat disappear.)

MARLIN

Neeeeeeemooooooooooooooooo!

TILLER

A scuba diver kidnapped Nemo!

(MARLIN swims frantically around the stage, trying to follow the boat.)

SPRIT

They boarded the boat and sped off so fast that the diver's mask fell into the sea.

(The SCUBA MASK DANCER floats the diver's mask across the stage.)

MARLIN

Nemo! Wait!!! Has anybody seen a boat? Please! They took my kid!

JIB

Luckily, there was a little blue tang named Dory swimming by...

*(NIGEL, SPRIT, TILLER, and JIB exit. #8 – **DORY'S DITTY.**)*

DORY'S DITTY

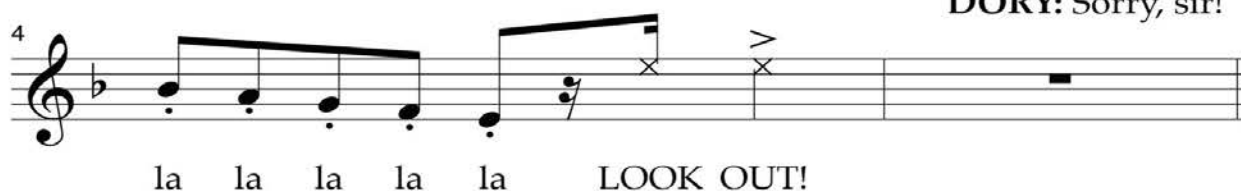

(DORY enters, singing. MARLIN continues to search for the boat; he does not yet see DORY. Unbeknownst to DORY and MARLIN, they have swum into shark territory.)

(DORY bumps into MARLIN, knocking the wind out of him.)

MARLIN: Oof!

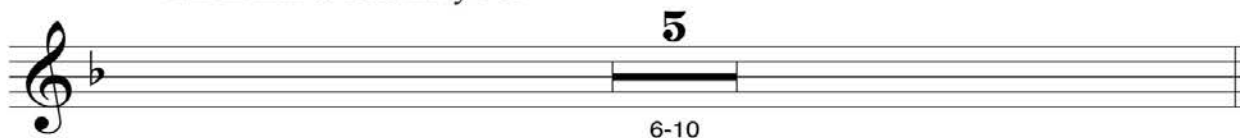

DORY: Sorry, sir!

MARLIN: Help! They've got my kid! They've got Nemo!
Have you seen a boat?!

DORY: A boat! I've seen a boat! Follow me!

MARLIN: Thank you!

(MARLIN follows DORY all around the stage. After a few moments, she gets suspicious when she notices someone following her.)

DORY: Do you MIND?!

(MARLIN, confused, catches up to DORY.)

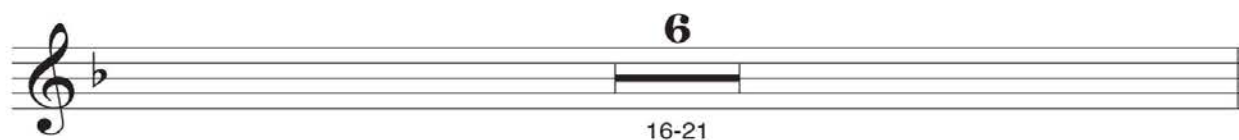

MARLIN: What?

DORY: I'm trying to swim here!

MARLIN: But... we're trying to find Nemo.

You were showing me which way the boat went!

DORY: A boat! I've seen a boat! Follow me!

(DORY takes a big breath
and begins to swim again.)

22

DORY:

La la la la la—

MARLIN: (interrupting)

No!!

(MARLIN)

We already did this!

DORY

We did? Oh dear. I have short-term memory loss. I forget things almost instantly. It runs in my family... or at least, I think it does. ...Where is my family?

(DORY forgets who MARLIN is again.)

...Can I help you?

MARLIN

Ugh!! You're wasting my time. I have to find my kid!

DORY

Meeko?

MARLIN

Nemo!

(BRUCE, ANCHOR, and CHUM enter. MARLIN faces DORY and doesn't see them.)

MARLIN

(frustrated)

Listen, if you don't mind, I'll be going now. Have a nice—

(MARLIN turns away from DORY and spots the SHARKS who are now directly in front of him. **#9 – SHARK TERRITORY**. MARLIN slowly gasps.)

BRUCE

Hello.

DORY

Well, hi there, sharks!

BRUCE

Name's Bruce.

DORY

I'm Dory! And this is...

MARLIN

You don't need to know. I'm nobody, really.

(MARLIN attempts to swim away but CHUM blocks his path.)

CHUM

Looks like you've stumbled upon a little party we're havin'.

MARLIN

Oh, sorry. We'll just be on our way!

(He again tries to swim away. This time, ANCHOR blocks his path and flashes their teeth.)

Okay, I guess we could stay for a little while.

(A frenzy of SHARKS enters, chattering, each with a terrified FISH "FRIEND" cowering behind them. The SCUBA MASK DANCER floats the diver's scuba mask onstage.)

ANCHOR

Ah, the gang's all here! Welcome to the party, mates!

(MARLIN spots the diver's mask lying on the sea floor.)

MARLIN

(aside, stage whisper)

Hang on... that's the diver's mask! The diver who took my kid!

(DORY and MARLIN attempt to swim over to the mask. BRUCE swoops in and ushers them back into the circle of SHARKS.)

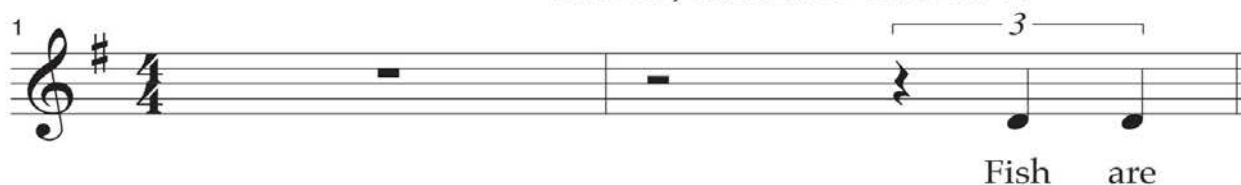

BRUCE

Let's all say the pledge.

I can't read human!

I bet they can help.

MARLIN: No, no, no, Dory!

(MARLIN tries pulling her in the other direction.)

DORY:

Ow!

MARLIN: I'm sorry! Is your nose bleeding?

(The SHARKS exit.)

SCENE THREE: MEET THE TANK GANG

(#11 – TRANSITION INTO TANK. *Transition to a tank at the Sydney Harbour Aquarium, populated with aquarium plants. The tank is near a window, which allows NIGEL to visit. NIGEL, SPRIT, TILLER, and JIB enter opposite the tank.*)

SPRIT

Meanwhile, Nemo had been taken by boat thousands of kilometers from the reef.

JIB

All the way here to the Sydney Harbour Aquarium.

(NEMO, alone and terrified, enters the tank as if dropped in.)

NEMO

Dad!? Dad? Help!

TILLER

Nemo was terrified.

NIGEL

But the fish in this tank were my friends!

(NIGEL flies over to the tank and peers in from above.)

G'day, mates!

(BLOAT, GURGLE, PEACH, and BUBBLES — the TANK GANG — suddenly appear from various spots in the tank, scaring NEMO. PEACH is pressed up against the side of the tank.)

TANK GANG

Hi, Nigel!

NEMO

(frightened)

Ahhh!!! I wanna go home!

GURGLE

Eek! Stranger! Stranger in the tank!

PEACH

Stop that, you're scaring the poor thing! It's okay, honey.

NEMO

Where am I?

BLOAT

Welcome to the Sydney Harbour Aquarium! I'm Bloat. That's Peach, Gurgle, and Bubbles.

BUBBLES

Bubbles! *(Hello!)*

PEACH

Bubbles really likes bubbles. We all live here together in this tank.

NEMO

Oh. I'm Nemo. I'm from the Great Barrier Reef... in the ocean.

GURGLE

The ocean?! Ahh! Germs!!

(GURGLE cowers behind a plant.)

NIGEL

I saw Professor Sherman's boat docked in the harbour this morning, and I figured we might have a newcomer to the tank!

NEMO

I swam away at the Drop-Off and this diver in a mask came out of nowhere.

PEACH

Oh dear, you must have been so frightened.

NEMO

I have to get back to the Reef! I have to find my dad.

NIGEL

I'm afraid the Great Barrier Reef's a few thousand kilometers from here. But I'll keep a look out for your dad, Nemo.

(NIGEL flies away and exits offstage.)

TANK GANG

Bye, Nigel!

NEMO

How am I going to get out of here?

(GILL, who has been listening the whole time, emerges from behind a plant. #12 – GILL'S ENTRANCE.)

GILL

Nemo...

NEMO

Who are you?

GILL

The name's Gill. I've been watching you, and you're small enough to break us free.

BLOAT

(to NEMO)

Gill here is always cooking up new ways to try and bust us out of the aquarium.

GURGLE

(worried)

A real risk-taker!

GILL

The ocean is where we belong! We can all get out of here, if you listen to me.

PEACH

What do you have in mind this time?

GILL

The intake pipe. It leads directly to the ocean.

GURGLE

But that pipe pumps water into the tank. There's no way we can swim against that current!

BLOAT

Unless the pump was off.

GILL

Exactly. That's why Nemo here is the key.

(#13 – WE SWIM TOGETHER.)

WE SWIM TOGETHER

GILL: Come on, gang, we gotta help the kid!

We're gonna do this the way that we do everything else.

ALL EXCEPT GILL: (*relieved*) Ohhhhh.

BLOAT: The whole "poop" thing threw me.

GILL: They'll turn off the pump, we'll remove the grate, and swim through the intake pipe into the ocean!

BLOAT: Come on, Nemo! You can do it!

PEACH: You're so close!

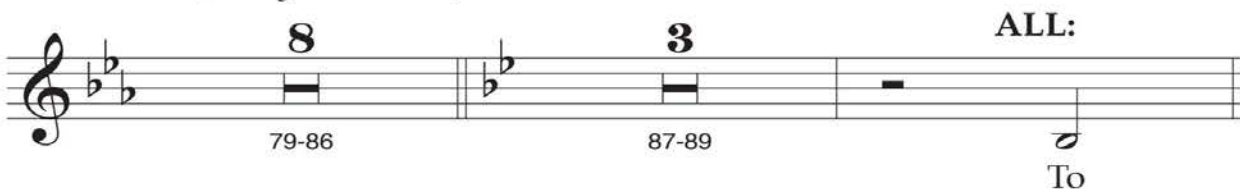

GURGLE: Oh, I can't look!

NEMO: I did it, Gill! I actually jammed the filter!

SCENE FOUR: JOURNEY THROUGH THE SEA

(#14 – BACK IN THE OCEAN. Open ocean. NIGEL, SPRIT, TILLER, and JIB enter.)

TILLER

Back in the ocean, Marlin and Dory had escaped Bruce and the rest of the sharks.

SPRIT

But now they were even farther from the reef, and they still had no idea where to find Nemo.

JIB

At least they had each other.

NIGEL

But things weren't going... swimmingly.

(DORY enters gleefully. MARLIN follows in a huff.)

MARLIN

I can't believe we lost the mask!

DORY

The mask?

MARLIN

Yes, the diver's mask! That mask was the only chance I had of finding my kid!

DORY

Tivo?

MARLIN

Nemo! It's Nemo! And I may never see Nemo again!

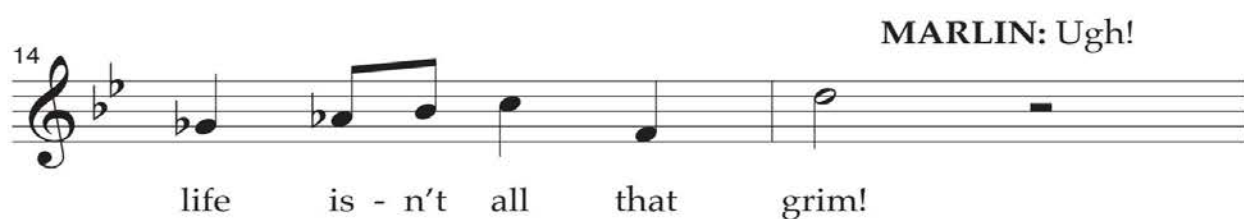

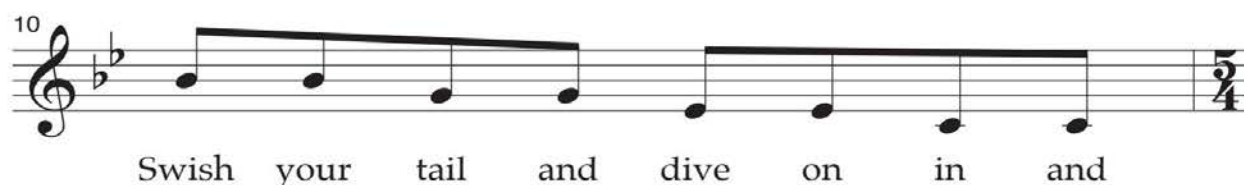

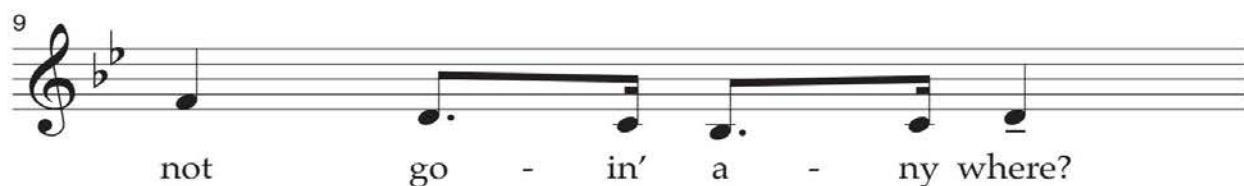

(#15 – JUST KEEP SWIMMING – PART 1.)

So we fol-low our gut!

TILLER: They were relieved it was just a little one, but...
(A forest of JELLYFISH appears. MARLIN turns to continue on and sees them.)

MARLIN: Uh oh...

SPRIT: Suddenly, they found themselves surrounded by jellies.

DORY: (beginning to panic) I don't think these squishy things like me!

MARLIN: (thinking fast to distract DORY) It's alright, Dory. I have an idea: a game!

DORY: A game? I like games!

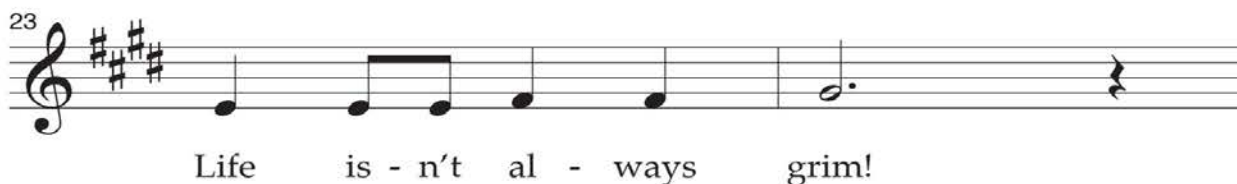

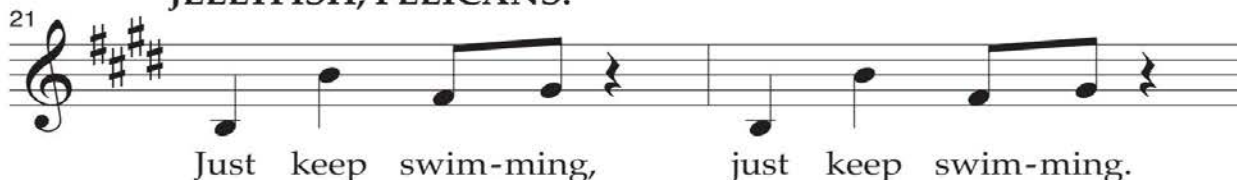

MARLIN: First one out of the jellyfish without touching the tentacles wins... Ready, set, go!

(MARLIN and DORY weave in and out of the JELLYFISH, avoiding the tentacles. Music builds as they race.)

CRUSH

Dude... Dude??

MARLIN

What happened?

CRUSH

He lives! You took on the jellies, mini-man. Ya saved little blue!

MARLIN

Little blue?! Dory! Is she okay?

SCENE SIX: ESCAPE TO THE OCEAN

(#21 – **GOSSIP.** *Two YOUNG SEA TURTLES and a SMALL FISH enter, gossiping.*)

YOUNG SEA TURTLE 1

Did ya hear about the little clownfish from the reef who's looking for his kid?

YOUNG SEA TURTLE 2

He outsmarted a whole frenzy of sharks!

SMALL FISH

Whoa! Far out!

(YOUNG SEA TURTLES & SMALL FISH exit. Two SEAHORSES enter.)

SEAHORSE 1

I heard that he went face to face with a jellyfish!

SEAHORSE 2

Not just one! It was an entire jellyfish forest!

SEAHORSE 1

Oh my! Think of the tentacles!

SEAHORSE 2

More like two-thousand and ten-tacles!

(SEAHORSE 1 shakes their head at SEAHORSE 2's "dad joke." The SEAHORSES gallop offstage and SEAGULLS enter with NIGEL.)

SEAGULLS

Mine! Mine! Mine! Mine! Mine!

NIGEL

...And then he surfed the East Australian Current all the way here to Sydney Harbour?

SEAGULLS

Mine! Mine! Mine!

NIGEL

That's incredible! I've gotta go tell Nemo!

(NEMO and the TANK GANG enter. NIGEL perches on the windowsill of the aquarium and peers into the tank.)

NIGEL

(excitedly)

Nemo! Your dad's been fightin' the entire ocean looking for you! He's battled sharks and jellyfish!

NEMO

(incredulous)

Sharks? That can't be him.

NIGEL

It's him! It's Marlin! The little clownfish from the reef! And he's in Sydney Harbour right now!

NEMO

Wow! My dad is here in Sydney! I can't believe it!

PEACH

Act natural, everyone! Professor Sherman and the staff just came in! Wait, what are they doing?

BUBBLES

Bubbles? *(What?)*

BLOAT

They're turning off the pump! It's go time, Gill!

GILL

Okay gang, they must be getting ready to clean the tank, just like we planned!

(#22 – IT'S GO TIME!.)

GURGLE

Thank goodness! It's filthy in here!

GILL

We need to act fast before they scoop us out. Peach, you keep an eye out for any nets.

PEACH

Roger that!

GILL

The rest of you help me remove the grate from the intake pipe.

(BLOAT, GILL, NEMO, BUBBLES, and GURGLE head to the grate and try to remove it. They pull on all sides, but the grate won't come off.)

BLOAT

It won't budge!

NEMO

Gill! What do we do?

GILL

We're getting you out of here, Nemo. You're just small enough to squeeze through those bars.

NEMO

You mean, swim through the pipe into the big ol' blue all by myself?

BLOAT

The rest of us are just too big.

GURGLE

It's the only way!

BUBBLES

Bubbles! *(It's true!)*

GILL

Once you're in, swim straight and don't stop until you hit the ocean, you understand me?

NEMO

Gill, I'm scared!

(NEMO backs away from the grate, separating from the group.)

PEACH

Nemo! The net! Look out!

(#23 – WE SWIM TOGETHER – REPRISE.)

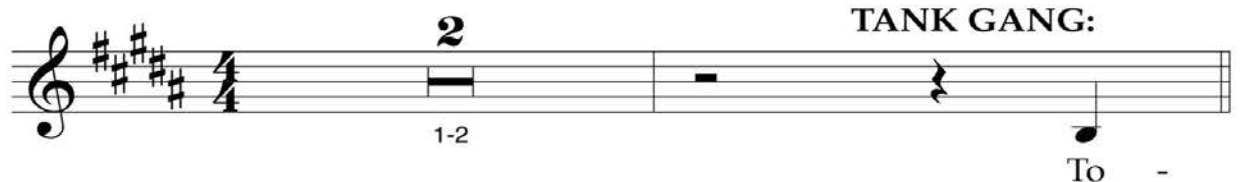

WE SWIM TOGETHER (REPRISE)

(An aquarium net appears and captures NEMO.)

NEMO: Help!!!

GILL: Everyone, jump in the net and start swimming!

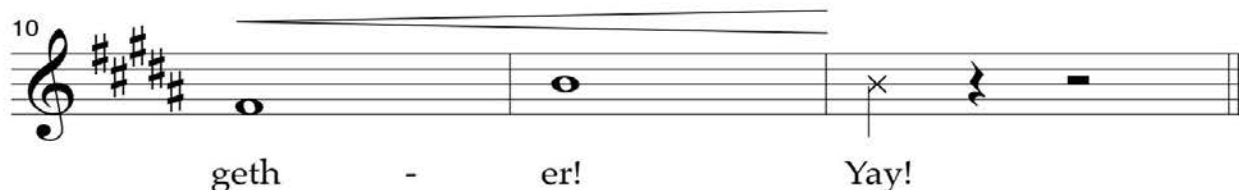

(One by one, the TANK GANG jumps in the net and swims against it.)

GILL: Keep swimming!

(The net gets pulled into the tank and falls to the bottom, freeing NEMO. The TANK GANG celebrates.)

GILL

We've gotcha, Nemo! Now get to the grate!

(NEMO swims over to the grate and pauses. NEMO looks back at the TANK GANG.)

NEMO

Will I ever see you again?

(#24 – NEMO ESCAPES.)

GILL

Sure, kid. We'll see you out there. I'm already cookin' up a brand new plan.

NEMO

Thank you all so much. For everything.

GURGLE

Say hi to your dad for us!

PEACH

Tell him he raised one brave kid.

BLOAT

Go get 'em!

GILL

You can do this, Nemo. I know you can.

NEMO

Goodbye, everyone! I'll see you in the big ol' blue!

(NEMO squeezes through the grate and disappears offstage.)

TANK GANG

Woohoo!; Hooray!; Alright!; Bubbles! etc.

(The TANK GANG exits.)

SCENE SEVEN: SYDNEY HARBOUR FISHING GROUNDS

(# 25 – SYDNEY HARBOUR FISHING GROUNDS. MARLIN and DORY enter and attempt to ask a passing CRAB for directions. They are ignored. MARLIN is becoming frustrated.)

MARLIN

Hi there, can you tell me how to get to 42 Wallaby Way? It's here in Sydney... Hello?

(The CRAB exits. MARLIN and DORY are alone again.)

Why will no one help me?? I have to tell Nemo how old sea turtles are!

(MARLIN begins to cry.)

DORY

There, there. It's alright. It'll be okay.

MARLIN

No! I promised I'd never let anything happen to Nemo.

DORY

Well, that's a funny thing to promise.

MARLIN

What?

DORY

You can't never let anything happen. Then nothing would ever happen. Not much fun for little Harpo.

(Suddenly, NEMO careens onstage, exiting the pipe.)

NEMO

Whoooooooooooooooooooooooooaa!

(# 26 – JUST KEEP SWIMMING TOGETHER.)

JUST KEEP SWIMMING TOGETHER

MARLIN: Nemo?!

DORY: *(confused)* Nemo? *(suddenly remembering!)* Nemo!

MARLIN: She helped me find you... Thank goodness you're safe.

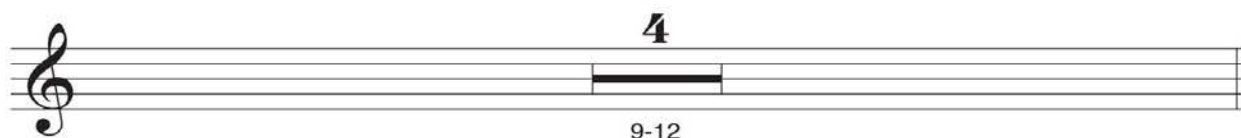

(Suddenly, a huge mass of FISH enters, sweeping DORY away.)

FISH: Watch out! There's a net! Swim away!

(DORY and the FISH are caught in a giant fishing net.)

DORY: Help! Get us out!

(The FISH begin to panic. NEMO studies the net, swims towards it, and looks for a way in. MARLIN grabs NEMO.)

Nemo! It's okay, I'm here. I've got you.

(# 27 – FINALE – PART 1.)

FINALE (PART 1)

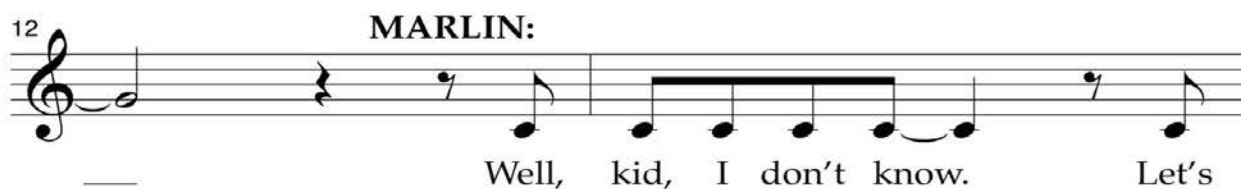

(NEMO): ... At the Drop-Off... I'm sorry I swam away.

MARLIN: No. I'm so sorry I didn't trust you, Nemo. Hey, guess what? I met a sea turtle who was a hundred and fifty years old.

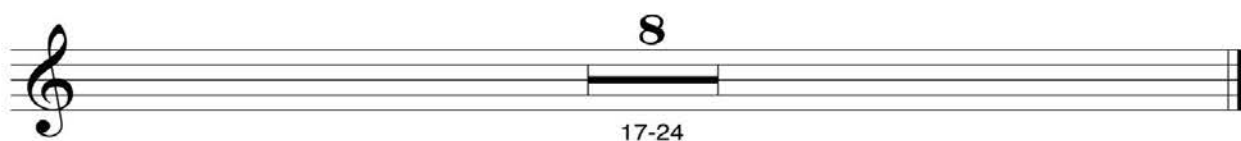

NEMO: A hundred and fifty? But Sandy Plankton said...

MARLIN: Sandy Plankton. Do you think after what I've been through I don't know as much as Sandy Plankton?

(DORY gives MARLIN a huge hug. DORY, MARLIN, and NEMO exit.)

SCENE EIGHT: FINALE

NIGEL

So that's the story of one dedicated father.

SPRIT

And his brave kid.

JIB

And their fun, forgetful new friend.

TILLER

An extraordinary family of three, ready for anything!

NIGEL

Even Nemo's second day of school.

- house left:** The left side of the theater from the audience's perspective.
- house right:** The right side of the theater from the audience's perspective.
