# Testimonials

"A massive thank you from Laoise and myself for last Saturday – the day was so much fun and worked out exactly as we wanted.

The whole crew were fantastic and really made us feel at home in the venue, so we're really grateful for that."

**- Ultan & Laoise**

"We celebrated our wedding in Hen's Teeth last December 30th. We had our ceremony there that evening and then a party and it could not have been more perfect.

Rosie and Greg made the whole planning process really easy, ensuring that we had no worries and we knew everything was taken care of. We just had to show up! All the staff on the evening were so lovely and helpful. The venue is so cool and looked gorgeous, and the food was delicious. The atmosphere was really relaxed and everyone had so much fun dancing til late. Some of our guests told us it was the best wedding they had ever been at! 10/10 - would recommend getting married here!"
