

A high-angle, top-down photograph of a large, diverse crowd of people, including men, women, and children of various ethnicities, gathered around a central circular graphic. The graphic is a large yellow circle with a red border and a light blue inner ring, featuring a repeating pattern of stylized geometric shapes. The text "YOU'RE INVITED!" is written in large, white, bold, sans-serif capital letters across the center of the yellow circle. The people are looking towards the center, and the overall atmosphere is one of community and invitation.

HOPE IN EVERY LANGUAGE

If you had to guess how many languages are in the world, what number would you choose? 500? 1,000? 3,000?

Actually, those guesses are low — around the world today there are at least 7,000 different spoken and signed languages.

But almost a quarter of the world's language communities are still waiting for a Bible translation project to begin. And the majority of these speakers don't know the God who made them and loves them.

Can you imagine what your life would be like without the ability to know God through his Word?

At Wycliffe Bible Translators, we believe that everyone deserves to have access to God's Word in a language and form that they understand — a language in which they think, dream and pray.

God's Word brings hope, healing and purpose, transforming us into the people God created us to be. It saves us from sin and darkness, and points us to Christ.

Yet so many around the world can't find healing and transformation that comes through a right

relationship with God, because they don't have Scripture in a language that speaks directly to their hearts.

That's why we exist — to help speakers of these remaining languages get the Bible for themselves.

And we won't stop until all people have God's Word in a language they understand.

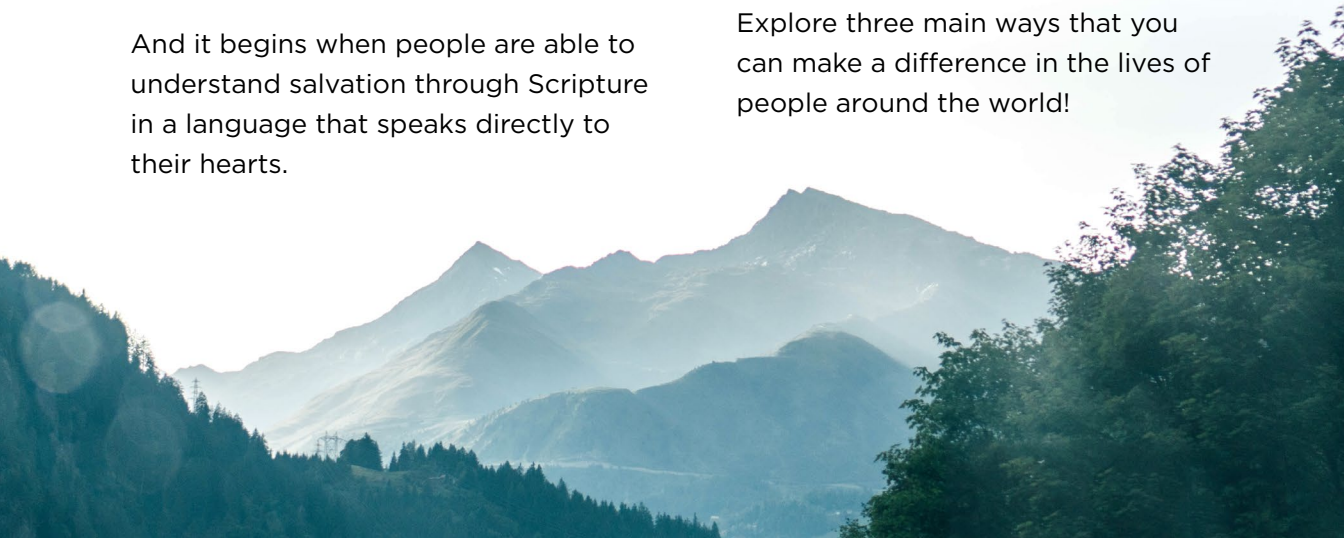

A PLACE IN THE KINGDOM

You've been invited by the Creator of the universe to participate in a great, beautiful adventure — making disciples of all nations (Matthew 28:19).

And it begins when people are able to understand salvation through Scripture in a language that speaks directly to their hearts.

*So what's your part
in God's adventure?*

Explore three main ways that you can make a difference in the lives of people around the world!

PRAY

Pray in the Spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere.

— Ephesians 6:18 (NLT)

God uses prayer to transform the world — including the hearts and minds of those who pray! Prayer is a crucial component to the work of Bible translation, because God's desire is that people from every nation will someday be around his throne in heaven (Revelation 7:9). And you can join our prayer community.
