## VISAGE GPS Systems

The Canadian is the only course in Ottawa to offer Visage! Love your iPad? You will love our Visage GPS System

We believe in offering the best that there is, so we can provide our golfers with a *superior golf experience!* That is why, each of our 85 Club Car Precedent golf carts are equipped with the state of the art *Visage Touch Screen GPS system.*

**Added Value for your Sponsors!** *We offer all our tournaments the opportunity to display complimentary sponsor ads on our GPS screens which will be visible to all public and tournament players on the day of your event.*

**Save Money on Tournament Signs!** *On a tight budget and want to earn extra money for your charity. Offer GPS ads in replace of corplast signs at no cost to you! Simply send us the jpeg images and as each cart approaches the tee area on each hole a high resolution ad will be displayed on each cart.*

## VISAGE GPS Systems

**On-board tournament scoring** *Let's face it we like our social connection, we keep that going on the golf course, on board scoring for each golf group is recorded after each hole by the lead cart in the group. The scorecard automatically pops up as the cart moves to the next tee.*

**Get to know the course like our Pros** *Superior 3-D graphics, yardages, distance to pin and full course maps allow you to have all the knowledge our Pros have when playing the course.*

**Improve your pace of play** *We pride ourselves in offering our guests a comfortable pace of play on a daily basis. Knowledge is key to letting you play a hole faster as there is no guessing! Visage provides you with distances, to all the important features, front, middle and back of the green, distance to carry the hazard! All this to allow you to make an educated club selection. If your group falls out of position on the course you and our pro shop staff are alerted so we can assist you, to get you back on track.*

**200 acres and two way communications at all times!** *Let's face it sometimes a little help would be nice! That is usually when you are saying "Where is that Marshal!" We are never more than a few taps away with live 2 way communication with each cart and the pro shop! Left a club behind, need a ride to the clubhouse, medical emergency, we are never far away!*

**Hungry? No Worries order food & drinks** *Arrived late, missed lunch, still hungry, Visage lets you order off a menu almost anywhere on the course, and a staff member will deliver it right to your cart, normally with in two holes.*
