Your P. Peugeot® timepiece is warranted against defects solely to the working mechanism. P. Peugeot® will replace them FREE OF CHARGE provided watch is returned to our service center with payment of \$9.95 to cover postage and handling. (This is not a repair charge and no other charge will be made.) Accidental damage or defects to other parts not covered by the warranty, such as battery, case, crystal, stem, crown, strap and bracelet will be replaced at cost of parts only.

This warranty excludes damage caused by water unless watch is marked "water resistant." It is strongly recommended to avoid water contact on non-water resistant models. Water resistant watches are suitable for water sports, showering and casual swimming and are not recommended for serious diving.
