BIKINI WAX

Anne-Cecile Curot-Park at Bella Santé

A BIKINI WAX can be painful and anxiety-inducing, but Curot-Park makes the experience as close to pleasant as possible. Bella Santé's setting is plush and Curot-Park's manner is charming, gentle and efficient, encouraging you to sit back and relax. You can rest assured that she knows what she's doing: She trained in Paris, where her career got going, then worked in Switzerland and New York City. She's been at Bella Santé for nearly three years, where she uses lavender Poetic Wax, followed by tweezing, and finishes with tea tree oil lotion to eliminate bacteria and breakouts. 38 Newbury St., Boston, 617-424-9930, www.bella SANTE.COM
