**Bella Santé** 38 Newbury St.; 617-424-9930 **the price** \$27 and up **the scoop** Masks and peels are as prevalent here as emery boards. The popular Bella Bella manicure (\$55 for 50 min.), a veritable facial for hands, features exfoliating enzymes that leave hands smooth. No wonder it attracts clients like Jennifer Garner or that Ben Affleck bought his mom a gift certificate for treatments.
