

Xtension 9 Evolution

Highend turntable with top class 9" Evo tonearm

- Heavy 16 kg belt drive turntable
- Mass loaded magnetic floating subchassis
- Precision balanced sandwich-platter
- Inverted ceramic ball bearing with magnetic support
- Heavy weight record clamp
- Heavy MDF chassis with high mass and low levels of resonance
- Electronic speed control 33/45 rpm
- Tonearm 9cc Evolution made from carbon fibre
- Inverted tonearm bearings (ABEC 7 quality)

Speed	33 / 45 rpm (electronic speed change)
Acrylic dust cover	yes
Pro-Ject tonearm cable included	Connect it E,1,23m
Aluminium feet	Magnetic supported & TPE damped
Turntable main bearing damping	heavy weight metal block
Max. speed variance	±0,09%
Max. wow and flutter	±0,01%
Rumble	-71dB
Platter weight/diameter	5,4 kg/300mm
Platter puck weight	800gr
Effective arm length / overhang	230mm / 18mm
Effective tonearm mass	8,5g
Tracking force range	0-25mN
Cartridge weight range	from 4 - 14g (4 different counterweights included)
External power supply (prim/sec)	220 - 240V/50Hz / 15V/1600mA DC
Power consumption	4W (max.) / < 1 watt standby
Finish options	Mahogany, Olive, HG Black, HG Red, HG White
Dimensions WxHxD	465 x 185 x 350 mm lid closed
Weight	16kg

Superlative vinyl performance from a compact luxurious turntable/arm configuration!

Xtension 9 Evolution incorporates all our turntable design experience from more than 20 years in a slim-line size to fit standard audio racks. Xtension 9 chassis is made from MDF, that gives high mass and is non-resonant. Magnetic feet, which decouple the main plinth from its base, are combined with a weighty 16kg total turntable mass. The result is a unique combination of 'mass loaded' and 'floating turntable' design principles. Instead of pure metal for the main platter, we've found a perfect alloy which we damped on with thermo plastic elastomers (TPE). Additionally we've glued recycled Vinyl records to the top (which act as a perfect mat) and bake this 'sandwich' before precision balancing it. The final product subsequently benefits from a wonderfully resonance-free, heavy platter, that runs ultra-silently on an inverted ceramic ball bearing with magnetic suspension. Pro-Ject Xtension 9 Evolution includes a top-class highend tonearm „9cc Evo-lution“ and comes complete with a beautiful dustcover. 5 different high gloss lacquer finish options are available: Mahogany, Olive, Piano Black, Red, White.
