

Shipping

Want your gourmet food shipped directly to your door?

This service will begin December 18th, 2017. It is offered In-State only at this time.

HOW:

At this time we are taking orders by email.

We ship in Styrofoam coolers with a combo of ice and dry ice. These generally keep items food safe for two days.

NOTE: Do NOT touch dry ice with your bare skin. This could result in serious damage to your skin.

The coolers will be delivered whether you are home or not. Please track your products so you are in the know.

SHIPPING FEES:

We will calculate the best shipping rates based on the weight of your order before we send you an online bill.

Please contact us with any questions or concerns. See our **Replacement and Refund Policy** for details on food safety guidelines and how to handle damaged products.

On behalf of everyone here at The Maine Meal and our awesome farmers and fisherman, Thank You for shopping local!
