

We've made the long journey down under to see what Christmas is like in Oz!

Well the first thing we've noticed is that it is summer time! So no snow and instead there are parties on the beach! Santa also gives his reindeer a well deserved rest when he gets here and gets help from some very special kangaroos instead! I bet that's a bumpy ride!

Making December magical for families alL over the world **www.elfforchristmas.com**
