

Dzień dobry from Poland!

I'm here in Warsaw to find out some Polish Christmas traditions with Lingotot.

Did you know that on the night before St Nicholas' Day (Dec 5th) Polish children leave their shoes out for St Nicholas, to be filled with sweets and treats, if they've been good?

I wonder how much I could get in my little elf shoes?
I've drawn a picture of them for you to colour.

Love Elf xx
