

# Hola from Spain!

I've nipped over to Spain to meet my friend Lingotot for some churros and a chat about Spanish Christmas.

He told me about a tasty tradition for New Year's Eve of eating 12 grapes as the clock strikes midnight, to bring good luck for the next 12 months.

What a yummy way to see in the new year!

See if you can help us find our way through this maze so that we can eat our grapes!

Love Elf xx
